On April 13, 2020, Jeanette emailed all members of the Jefferson County CoC:

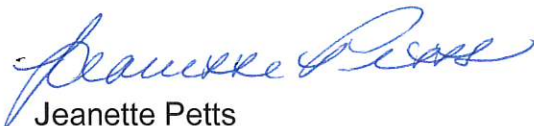

We need to conduct a vote today for the EHH Lead Agency. In the past, this agency has been Community Action Coalition For South Central Wisconsin, Inc. (CACSCW). We write and administer the grant for Jefferson County. This funding is used for our Rapid Re-housing Program and Motel Voucher Program.

I would like to make a motion to accept CACSCW as the lead agency for the Jefferson County EHH application.

Please reply to all – I need a second to my motion and then each one of you needs to reply and please vote YES or NO. Please reply no later than Thursday, April 16th at Noon.

At Noon on April 16, 2020, 7 of the 9 Jefferson County CoC members responded, all in the affirmative for approving the motion. Motion carries.

Respectfully submitted,

Jeanette Petts
Chair of Jefferson County Continuum of Care
