

1E-5b. Local Competition Selection Results

In this combined PDF file, there are 2 pieces of evidence that demonstrate the final project scores for all new and renewal projects the CoC considered during its local competition. All projects have the applicant name, project name, project score (points and percentage), project rank, award amount, and project accepted or rejected status included.

(1) CoC Project Scoring Tool 2023-FINAL-Final Ranking Tab

- This tab is the final ranking of all projects in the CoC. This matches the ranked order in the Priority Listing. This is the FINAL Ranking for the CoC Competition FY23.
- Column A is the rank.
- Column B is the agency name.
- Column C is the project name.
- Column D indicates the project type.
- Column E is the score (%) which is calculated by dividing the total point the project received by the total points possible.
- Column F is the score (points) with the total points received / total points possible.
- Column G is the status of the project – whether it was accepted or rejected
- Column H is the award amount for each project.
- Column I is the tiebreaker amount calculated from the tiebreaker tab.

(2) WIBOSCOC Scoring Breakdown – FY23 Renewal & New Projects

- This summary document shows each renewal project, new permanent housing bonus project, and new DV RRH expansion grant project final scores and percentage of the total.
- There are several charts on this Excel Spreadsheet.
 - The Project Evaluation Scores show the total earned points plus any bonus points for each renewal project, the total possible points for that project, and the percentage score.
 - The Listing shows the 29 renewal project percentages from highest to lowest. This does not include any policy-based decisions such as HMIS, HMIS Expansion, SSO CE, SSO CE DV, DV RRH Expansion, SSO CE DV Expansion, PH Bonus projects or 1st year renewals.
 - The Permanent Housing BONUS funds – Application Scoring chart shows the 6 applications received for permanent housing BONUS funds, the reviewer scores, total, average, and rank. It also includes the final approved amount for the 5 projects selected.
 - The DV RRH BONUS funds – Application Scoring chart shows the 4 applicants that applied for DV BONUS funds, the reviewer scores, total, average, and rank. It also includes the final approved amount of those 4 applicants selected.
 - The Projects Placed on Scoring Tool Based on Policy chart includes the projects that are not scored in the same way as renewal projects. These projects are placed based on CoC Policy outlined in the CoC Project Scoring Tool Explanation document

reviewed and approved annually by the CoC Board following grantee and membership feedback. This includes 1st time renewals (projects that started or have signed contracts but have not yet submitted their 1st APR), transition grants (projects that voluntarily relinquished their grants and created new permanent housing programs), New Projects (written with voluntarily relinquished funds), the HMIS grant, the SSO coordinated entry grants, PH BONUS projects, and DV BONUS projects.

- The Non-Competition chart includes YHDP renewal and replacement projects.
