CoC Project Scoring Tool FY2021 Explanation – Approved by Board on 7/6/21  
1st draft of Scoring Tool – (posted 10/11/2021)

1. If there is a box with a red X in row #44, that means your project score is below the 70% threshold. As a result, the project must submit a Decision Form to me. This includes 3 options: relinquish the grant funds, reallocate the grant funds, or request reconsideration. Relinquish means that your agency will no seek to renew the project funds for 2022-2023. Reallocate means that your agency is seeking to change the type of project currently an eligible renewal into something new (RRH or PSH). **Due 10/15/21**
2. If you select "Request reconsideration," there is a separate [Reconsideration Request](#) document that must be completed as well. This is a separate document from the "decision form." **Due 10/15/21**
