

3A-2. Healthcare Formal Commitments

In this combined PDF file, there are 2 pieces of evidence that demonstrate healthcare resources being leveraged in all new projects. The healthcare formal written agreement includes:

- The project name
- The value of the commitment
- Specific dates that healthcare resources will be provided
- A statement that project eligible for program participants in the new PSH or RRH project will be based on the CoC Program fair housing requirements and will not be restricted by the health care service provider.

For healthcare organizations, the written commitments must demonstrate:

- The name of the project
- The value of the healthcare resources being provided is 25% of the funding being requested for the project(s) to receive full points
- Dates the healthcare resources will be provided
- In-kind resources must be valued at the local rates consistent with the amount paid for services not supported by the proposed project.

Attn: Carrie Poser, Director
P. O. Box 272
Eau Claire, WI 54702

Dear Carrie,

Western Dairyland Economic Opportunity Council, Inc. (WDEOC) has collaborated with Vivent Health and therefore is committed to provide the following resources for PHASE 1 (Permanent Housing And Support Expansion), Project # 201441 from 12/1/23 to 11/30/24:

- Vivent Health has agreed to provide us with in-kind in the amount of 25% of \$234,622 or **\$58,656** from services provided for up to 4 eligible clients while housed with us during the timeframe of 12/1/23 – 11/30/24.

Eligibility for program participants in the new PH-PSH project will be based solely on COC Fair Housing requirements and will not be restricted by Vivent Health.

Please let me know if you have any questions.

Sincerely,

RE: Confirmation of In-Kind Support for Permanent Housing and Support Expansion (PHASE 1)

Dear Ms. Hulbert,

Vivent Health envisions a world without AIDS and strives to ensure everyone living with HIV lives a long and healthy life. It is in the spirit of this vision that we support Western Dairyland's Permanent Housing and Support Expansion. Based on the Dairyland Coordinated Entry Prioritization List and the needs of current Vivent Health clients, we estimate being able to provide services to four of your program participants in the 2023-2024 grant year. Vivent Health will provide services to individuals who are eligible and choose to utilize our services. These services include medical case management, food pantry, insurance cost sharing, prescription assistance, transportation assistance, mental health counseling, and AODA services. The average annual cost of services per Vivent Health client is \$15,000. These services are funded through Ryan White funds, private donations, and reimbursements for services and pharmacy. The total in-kind services provided to PHASE 1 participants is estimated at \$60,000.

Sincerely,

Shannon Wienandt
House of Hope Director

To Whom it May Concern,

NEW Community Clinic will provide in-kind healthcare resources as match for House of Hope's House of Hope Youth Rapid ReHousing Project II.

The in-kind match amount to be provided is \$31,824.00. Healthcare resources used as match will be provided beginning at the start of the House of Hope Youth Rapid ReHousing Project II grant term, October 1, 2023. The in-kind services provided will be in the form of behavioral health counseling. The dollar amount of the in-kind donation was calculated by the cost of the therapist (\$68.00 per hour) for 8 hours per week along with 1 hour of supervision and administration per week (\$68.00 per hour) for the onsite therapist, over the course of a year.

Funding used as match is not ESG or CoC funding.

Respectfully,
