YHDP Updates

System Navigation

There has been some turnover in staffing

Missed July's Meeting but will be back with August

QPR

Submitted our third QPR successfully

There will be a report coming soon that we will be able to compare QPR data in Sage

CoC Competition

YHDP Projects are renewing in this competition for 2024/2025 FY

We had a call this week about the logistics

CoC Competition cont.

Direct Grantees: Must submit either a renewal or replacement application.

Sub-Grantees: Match letters, Budgets, and special activities due Monday, August 21.

CQI

We have finalized each item we want to measure and how to measure it. We are working with ICA to finalize reports for the data we can get out of HMIS and will be working on a process for the TBD items. We will hopefully be able to share data with the community later this year or early next year.

YAB
