

Additional Information

Based on the questions asked during the October 12th Project Application Training, I have attached the following additional information.

The Permanent Housing destinations listed below are HUD's allowable options for what defines a "permanent housing" destination.

- Moved from one HOPWA funded project to HOPWA PH
- Owned by client, no ongoing housing subsidy
- Owned by client, with ongoing housing subsidy
- Permanent housing for formerly homeless persons (such as: CoC project; or HUD legacy programs; or HOPWA PH)
- Rental by client, no ongoing housing subsidy

(2) Housing Stability Percentage

In the past, the Housing Stability percentage for projects other than Permanent Supportive Housing was 65%. This has now changed. The following are excerpts from the Collaborative Application as to what defines housing stability.

HUD will award maximum points to CoCs that demonstrate that 80 percent of people in CoC Program funded permanent housing retain their current permanent housing or exit to other permanent housing.

HUD will award maximum points to CoCs that demonstrate that 80 percent of persons who exit CoC Program-funded TH, SSO, and PH-RRH projects exit to a permanent housing destination.
