

## 3A-2a. Healthcare Formal Commitments

In this combined PDF file, there are 5 pieces of evidence that demonstrate healthcare resources being leveraged in all new projects. The healthcare formal written agreement includes:

- The project name
- The value of the commitment
- The dates the healthcare resources will be provided consistent with the project's period of performance
- A statement that project eligible for program participants in the new PSH or RRH project will be based on the CoC Program fair housing requirements and will not be restricted by the health care service provider.

For healthcare organizations, the written commitments must demonstrate:

- The name of the project
- The value of the healthcare resources being provided is 25% of the funding being requested for the project(s) to receive full points
- Dates the healthcare resources will be provided
- In-kind resources must be valued at the local rates consistent with the amount paid for services not supported by the proposed project.

Dear Ms. Poser:

North Central Community Action Program, Inc. has collaborated with the Marathon County Health Department and is committed to providing the following resources for the Bonus Permanent Housing Project from 07/01/2025- 06/30/2026.

Marathon County Health has agreed to provide us with in-kind match in the amount of \$15,000.00 from services provided while housed with us during the 2025-2026 grant year. Eligibility for program participants in the new project will be based solely on CoC Fair Housing requirements and will not be restricted by the Marathon County Health Department.

Please let me know if you have any questions.

Sincerely,

*Diane Sennholz*

Executive Director

October 22, 2024

Marathon County Health Department (MCHD) is pleased to write a letter of support for the North Central Community Action Program's HUD Permanent Supportive Housing grant application. MCHD is familiar with NCCAP and the helpful services they provide to those experiencing homelessness within our county. Safe and affordable housing was identified in the most recent Community Health Improvement Plan and continues to be a growing need within our community.

MCHD works to improve the health and well-being of Marathon County residents, by providing health promotion and support services including immunizations to underserved individuals or those with disabilities. In an effort to assist NCCAP in meeting grant requirements and supporting mutual clients, we will provide an **in-kind match** amount of **\$15,000** for the **grant** period of 7/1/2025 to 6/30/2026 signifying the amount the MCHD spends on shared underserved populations. Please note that this amount should not be considered as a monetary amount or donation to NCCAP. Additionally, our eligibility requirements for immunization clients are determined by the Vaccine for Adults program as determined by the Wisconsin Department of Health Services. The state provides this determination and should it be changed; our match may no longer apply.

Supportive Service(s)	Support	Amount
Immunization Support	Staff time, immunizations, and overhead	\$15,000

As a community partner, we understand the importance of collaboration for the success of a project, and we look forward to being one of many involved in this partnership to strengthen and support families in our community.

Sincerely,

A handwritten signature in black ink, appearing to read "Laura Scudiere".

Diane Sennholz  
Executive Director  
North Central Community Action Program  
360 Grand Ave. Suite 300  
Wausau, WI 54403

Dear Ms. Sennholz:

Vivent Health envisions a world without AIDS and strives to ensure everyone living with HIV lives a long and healthy life. It is in the spirit of this vision that we support North Central Community Action Program's Permanent Supportive Housing expansion. Based on the local Coordinated Entry Prioritization List and the needs of current Vivent Health clients, we estimate being able to provide services to 4 of your program participants in the 2025-2026 grant year. Vivent Health will provide services to individuals who are eligible and choose to utilize our services. These services include medical case management, food pantry, insurance cost sharing, prescription assistance, transportation assistance, mental health counseling, and AODA services. The average annual cost of services per Vivent Health client is \$15,000. These services are funded through federal, state, and local grants, private donations, and reimbursements for services and pharmacy. The total in-kind services provided to Permanent Supportive Housing participants is estimated at \$60,000.

Sincerely,

*Carla Washington*

Wisconsin Balance of State Continuum of Care

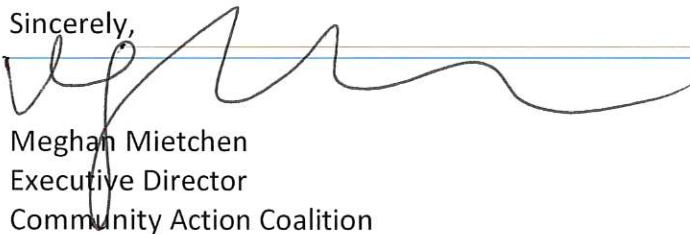

RE: Permanent Supportive Housing Application for Jefferson County

To whom it may concern,

Community Action Coalition has collaborated with Jefferson County Health Department and is committed to providing the following resources for the Bonus Permanent Housing Project from 05/02/2025-04/30/2026.

Jefferson County Health Department has agreed to provide us with in-kind in the amount of \$5,000 total, that is not ESG or COC funds, from services provided for up to 21 eligible clients while housed with us during the 2025-2026 grant year. Eligibility for program participants in the new project will be based solely on COC Fair Housing requirements and will not be restricted by Jefferson County Health Department.

Sincerely,

Meghan Mietchen  
Executive Director  
Community Action Coalition

September 6th, 2024  
Wisconsin Balance of State CoC  
Attention: Carrie Poser, Director  
P.O. Box 272  
Eau Claire, WI 64702

Dear Ms. Poser,

Please accept this letter of support and In-Kind Match on behalf of the Community Action Coalition for South Central Wisconsin's (CAC) application for funding. Jefferson County Health Department is pleased to endorse CAC's efforts to expand services to those experiencing homelessness in Jefferson County.

Jefferson County Health Department will provide \$5,000 in In-Kind services to the Community Action Coalition for South Central Wisconsin. Jefferson County Health Department sends one staff member to attend the coalition meetings and two staff members to participate in point in time counts. In addition, Jefferson County Health Department receives referrals from CAC for programs that clients may benefit from and in return, we refer clients and families as needed.

Access to safe and affordable housing was not only identified as a top priority in the 2022 Jefferson County Community Health Assessment, but also a priority within the Jefferson County Strategic Plan. The Jefferson County Health Department supports the Community Action Coalition for South Central Wisconsin's plan to expand services to better meet the needs of Jefferson County residents.

CACSCW has collaborated with Jefferson County Health Department and is committed to providing the following resources for the Rapid Rehousing Project from 2025-2026. Jefferson County Health Department has agreed to provide CACSCW with in-kind donations in the amount of \$5000 from services provided for up to 12 units and 21 beds eligible clients while housed with us during the 2025-2026 grant year. Eligibility for program participants in the new project will be based solely on CoC Fair Housing requirements and will not be restricted by Jefferson County Health Department

Sincerely,

Elizabeth M. McGeary, MSN, RN  
Director/Health Officer  
Jefferson County Health Department

RE: Jeremy PSH Project Expansion Match Letter

Grant Cycle: 10/1/2025 – 9/30/2026

UEI: ZXHJA42NZBB3

FEIN: 39-1414365

Congressional District: 5<sup>th</sup> Congressional District of Wisconsin

This letter informs the Wisconsin Balance of State Continuum of Care that Hebron Housing Services will provide a \$64,324 contribution in-kind match from ProHealth Care for the Jeremy PSH Project Expansion Grant for Waukesha County, which will fund 11 units for a total of \$64,324.

Project eligibility for program participants in the new project will be based on CoC Program fair housing requirements and will not be restricted by the health care service provider.

The healthcare resource commitment must be for healthcare-related services (including treatment for physical health, mental health, and substance abuse) that will be provided to program participants in the housing portion of the new project.

The healthcare leverage is not funded through CoC or ESG program funds.

Kathleen Fisher  
Executive Director  
Hebron Housing Services

10/16/24  
Date

October 21, 2024

To whom it may concern,

ProHealth Care is pleased to express its support for the Hebron Housing Services Jeremy PSH Expansion Project. The Hebron Jeremy Permanent Supportive Housing Program aims to assist chronically homeless and disabled individuals in securing permanent housing, alongside providing essential case management services.

Supporting permanent housing aligns with ProHealth Care's mission to improve the health and well-being of the communities we serve. By addressing the root causes of homelessness and promoting stability and self-sufficiency, permanent housing reflects our commitment to compassionate care and social responsibility.

Under this program, Hebron will support 11 units in the Permanent Supportive Housing program, who will sign a release of information to facilitate their services through ProHealth Care. ProHealth Care will provide quarterly updates on the matching contributions, up to an in-kind match amount of \$64,324, for the grant period spanning October 1, 2025, to September 30, 2026.

Project eligibility for program participants in the new project will be based on CoC Program fair housing requirements and will not be restricted by the health care service provider.

The healthcare resource commitment will be for healthcare-related services (including treatment for physical health, mental health, and substance abuse) provided to program participants in the housing portion of the new project.

The healthcare leverage is not funded through CoC or ESG program funds.

Sincerely,

Sarah Butz  
Community Benefit Director

**Memorandum of Understanding**

Agencies: Hebron Housing Services and ProHealth Care

Term: 11-01-2025 to 10-31-2026

Start Date of MOU: 11-01-2025

This Memorandum of Understanding is adopted by Hebron Housing Services and ProHealth Care. The primary purpose of the Memorandum is to describe the specific In-Kind Hebron Jeremy Permanent Supportive Housing Program expansion activities that ProHealth Care will provide for Hebron Housing Services to be used as match for the Hebron Jeremy Permanent Supportive Housing Program Expansion.

The Hebron Jeremy Permanent Supportive Housing Program is designed to assist chronically homeless and disabled individuals in finding permanent housing and providing case management services

1. Hebron Housing Services and ProHealth Care work closely together to ensure that the Jeremy Permanent Supportive Housing Program requirements for bringing Jeremy PSH funding to the community is being completed.
2. Donation Provided: ProHealth Care is donating their charity-funded healthcare for the program participants in the Hebron Jeremy Permanent Supportive Housing Program.
3. ProHealth Care will donate the value of match up to a total of \$64,324 of charity funds. Hebron will provide a release of information for each program participant, which will be reviewed quarterly by ProHealth Care to coordinate charity funded healthcare.
4. Reporting. ProHealth Care will provide a tracking form that details the amounts of charitable care provided to the Jeremy Permanent Supportive Housing Program participants.
