What is the Coordinated Entry (CE) Committee?

Purpose & Mission:

- The CE Committee assists the Board of Directors of the WI BOSCOG to fulfill its responsibilities regarding matters that relate to establishing and operating its CE System.
- The mission of the CE Committee is to increase and streamline access to housing and services for households experiencing homelessness, match appropriate levels of housing and services based on their needs, and prioritize persons with severe service needs for the most intensive interventions.

The CE Committee is made up of a Chair, Co-Chair, members, and participants.

11 Workgroups under the CE Committee
