

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

Recipient Performance

- 1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?** No

Explain why the APR for the most recently expired grant term related to this renewal project request has not been submitted.

First-time renewal and grant term has not yet expired. The grant began 7/1/18 and will end 6/30/19. The first APR will be due by 9/30/19.

- 2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?** No

- 3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?** No

Explain why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request.

First-time renewal grant. The grant began 7/1/18 and will end 6/30/19. The first quarter is not yet over.

- 4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?** No

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? No
If "No" click on "Next" or "Save & Next" below to move to the next screen.

a. Input the name of the New renewal Expansion Project

WIBOSCOC Supportive Services for CE Expansion

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

The BOS CE cover the 69 county CoC with the purpose to create an easier process for clients to navigate, quick & seamless entry into homeless services, prevent service duplication, reduce length of homelessness, improve communication w/in local coalitions & people will be referred to the most appropriate resource(s) for their specific situation. BOS CE policies are implemented in 20 local CE systems (LCES) ensuring the needs of homeless are met in the area in which they live. This project supports 12/20 LCE areas with 42/69 counties (61% of the BOS) covered. This project will fund 12 people to support the development & implementation of CE by ensuring: (1) full participation by all CoC & ESG providers in LCES (2) all marketing materials & outreach strategies used create fair & equal access to CE regardless of location or method of access (3) outreach activities occur minimum of twice/year to known locations & identify those least likely to access CE (4) clients have meaningful input in & understanding of the CE system (5) implementation of prevention process & assessment (6) use of the after hour plan. CE requires 4 steps: prescreen, assessment, referral & follow up-all predicated on client choice & use of TIC skills. (6) Provide education to non-traditional service providers to create a network expanding beyond those required & (7) explore alternative communication methods & use social media to enhance the message. The grant will support the efforts to enhance the current system requirements including: prescreen-the collection of basic info req. to generate a referral & provide client opportunity to consent to process; assessment-using a standardized tool to objectively measure a client's vulnerability as one component of prioritization; referrals-done through HMIS or non-HMIS PL. Each list is specifically programmed to reflect CoC approved order of priority by project type. Each uses elements such as: assessment score, length of time homeless, homeless category, presence of a disability &/or chronic status. Finally, follow up-contacting those remaining on the list at minimum every 90 days to ensure the need remains, assist w/referrals or info & maintain established rapport. The CoC wants to expand CE beyond the req. & create a system & process that streamlines services without creating additional hoops for clients to jump through. This funding provides that opportunity for 12 LCES. The CE System Specialist will work closely with the 12 to navigate the current & expansion. The CoC will directly assist the other 8 non-funded LCES to use lessons learned under this grant & apply to those communities. Currently much of this work is being absorbed through various agency discretionary funds, CoC & ESG grant BLI & some in-kind leverage. By creating a larger defined system that the community identifies as being the way to connect people w/the services they need, additional funding can be secured to continue to enhance the process & make improvements.

2. Does your project have a specific population focus?

No

3. Housing First

3a. Does the project quickly move participants into permanent housing Yes

3b. Does the project ensure that participants are not screened out based on the following items? Select all that apply.

Having too little or little income	<input checked="" type="checkbox"/>
Active or history of substance use	<input checked="" type="checkbox"/>
Having a criminal record with exceptions for state-mandated restrictions	<input checked="" type="checkbox"/>

None of the above	<input type="checkbox"/>

3c. Does the project ensure that participants are not terminated from the program for the following reasons? Select all that apply.

Failure to participate in supportive services	<input checked="" type="checkbox"/>
Failure to make progress on a service plan	<input checked="" type="checkbox"/>
Loss of income or failure to improve income	<input checked="" type="checkbox"/>
Any other activity not covered in a lease agreement typically found for unassisted persons in the project's geographic area	<input checked="" type="checkbox"/>
None of the above	<input type="checkbox"/>

3d. Does the project follow a "Housing First" approach? Yes

4. Please select the type of SSO Project: Coordinated Entry

4a. Will the coordinated entry process funded in part by this grant cover the CoC's entire geographic area? Yes

4b. Will the coordinated entry process funded in part by this grant be easily accessible? Yes

4c. Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance.

All marketing materials & outreach strategies utilized by the LCES must ensure that all people in different pop & subpop have fair & equal access to the CE process, regardless of where or how they access the system. Each LCES is required to advertise, conduct outreach & provide appropriate accommodations

to ensure the CE is available & accessible to all eligible persons including those with the highest barriers to assistance. Each agency must prominently post the “No Wrong Door” agency sign so it is visible. Marketing materials must be consistent across the BOS including flyers, postcards, brochures & other written materials. Each LCE lead is required to contact private & public agencies including those in the local homeless coalition, 211, vet specific, social service, local gov’t to educate & provide information on accessing CE. Outreach must be done at least 2x/year. This can be linked with the PIT count. Each LCE area is required to coordinate with all existing street outreach programs & private/public agencies, social service org, for referrals, so people not seeking services can access CE. All outreach efforts must cover the entire geographic area of the LCE area. Each LCES is required to provide info about the CE system in areas such as 24-hour establishments, restaurants, hospitals, meal sites/programs, food pantries, churches, grocery stores, schools & check cashing locations. Each LCES must comply with policies including: advertising must be accessible by using large font, audio & Braille; CE materials must include auxiliary aids & services necessary to ensure effective comm, which includes ensuring that info is provided in appropriate accessible formats as needed, e.g., Braille, audio, large type, assistive listening devices & sign language interpreters; Access points must be made accessible to individuals w/disabilities, including accessible physical locations for individuals who use wheelchairs, as well as people in the LCES who are least likely to access homeless assistance.

**4d. Does the coordinated entry process use a Yes
comprehensive, standardized assessment
process?**

4e. Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services.

Because of the diversity & size of the BOS, access to the CE system follows a “No Wrong Door” approach. All CoC & ESG providers are required to participate. The CE system is broken down into 20 LCES across 69 counties. Each LCES is req. to maintain a list of all available resources, follow CoC policies & procedures & support client choice. LCES implement what the CoC approved. When a HH contacts a service provider for housing assistance, several documents are completed. A prescreen form gathers minimum amount of info necessary for a referral to the PL. At the bottom of the form is an ROI. Upon consent, the provider reviews the CE Client Rights & Resp. All staff should be trained in using a trauma-informed approach when conducting assessments to reduce the risk of re-traumatization. The assessment space & manner should provide privacy to allow people to safely reveal sensitive information or safety issues. This includes gathering information from each adult in the household separately, if appropriate. The BOS uses 3 tools for assessment: VISPDAT, Family, and TAY. Every staff person completing a VI-SPDAT must use the same introductory script. If the HH is not prioritized for any interventions, the provider should explain why & refer to other supports & resources. The CE system ensures that HH are referred to all of the available resources for which they are prioritized & eligible by using written program standards & a project type order of priority approved by the CoC. There are 2 lists: HH w/kids & w/out kids. A referral can be made through HMIS or Non-HMIS. A HH can be referred to more than one LCES PL. Prioritization is a separate process from determining project eligibility. Follow-up contact must occur at min. every 90 days. Staff should gather updated info including

homeless situation, need & desire to remain on the list. If the HH is no longer in need of housing assistance, the agency can close the referral to remove the individual or family from the PL.

4f. If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth? Yes

6A. Funding Request

6E. Summary Budget

The following information summarizes the funding request for the total term of the project. Budget amounts from the Leased Units, Rental Assistance, and Match screens have been automatically imported and cannot be edited. However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. Budget amounts must reflect the most accurate project information according to the most recent project grant agreement or project grant agreement amendment, the CoC's final HUD-approved FY 2017 GIW or the project budget as reduced due to CoC reallocation. Please note that, new for FY 2017, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.
