

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

Recipient Performance

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? No

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? No
If "No" click on "Next" or "Save & Next" below to move to the next screen.

During the 2017 COC Competition, reports and data illustrated that the number of individuals and families experiencing homelessness in the Fox Cities was not decreasing under the administration of the current programming available (TH, RRH, and PSH). As a result, the City of Appleton and its partners identified that additional rapid re-housing and permanent supportive housing programs were necessary, and reclassified the COC-funded transitional housing program to rapid re-housing. Through this reclassification, ADVOCAP, Housing Partnership, and the Salvation Army- as the City of Appleton's sub-recipients- will be able to administer the provision of low-barrier, rapid placement entry into housing, both agency-owned and third-party private units. ADVOCAP, Housing Partnership, and Salvation Army staff will utilize the local CE process to ensure appropriate assessment and prioritization for the program. In addition, through the use of the VI-SPDAT and VI-F-SPDAT, primary focus will be placed on serving individuals and families who meet the following: (a) reside in places not meant for human habitation; (b) reside in an emergency shelter or come directly from the streets; (c) who qualify under category 4 of the definition of homelessness. Supportive services will be offered and available for all clients, incorporating goal setting and action planning that is client-centered and constructed from their own self-determination. These client specific services and supports will be identified and provided through continuous case management. Project outcomes of the rapid re-housing program will focus on unit utilization, increased income, and connection to mainstream resources and benefits. To achieve these outcomes and support the specific needs of the households being served, all three agencies will coordinate and collaborate with the local shelters, care providers, and supportive service agencies in the community, including Homeless Connections, Fox Valley Warming Shelter, and Harbor House Domestic Abuse Shelter. The funding offered through this opportunity contributes to retaining a level of programming equivalent to the need in the community. This funding is further necessary for as agencies have exhausted all other funding sources on other current programming.

INTERNAL REVENUE CODE

The Salvation Army is certified by the Internal Revenue Service as an organization exempt from Federal Income Taxes, contributions to which are deductible by the donors within the limitations prescribed by Section 23 of the 1939 code and Section 170 of the 1954 code. By L.T. 2747, XII - 2 C.B. 70 (1933), the Treasury Department specifically ruled that The Salvation Army was exempt from Federal Income Taxes under Section 103 (6) of the Revenue Act of 1932 (the earlier counterpart of Section 101 (6) of the 1939 code and Section 501 © (3) of the 1954 code), and that this was applicable to all branches of The Salvation Army organization. It is unnecessary, therefore, for The Salvation Army to file Form 1023 with the Treasury Department.

CONTRIBUTIONS TO THE SALVATION ARMY

On October 10, 1955, the following letter was written by the Assistant Commissioner, U.S. Treasury Department to The Salvation Army's Attorneys, Messrs. Cadwaladar, Wickersham and Taft in New York:

"Gentlemen:

Under section 170 (b) (1) (A) of the 1954 Code, individuals are allowed an additional deduction of not exceeding 10 percent of their adjusted gross income for contributions made to a church or a convention or association of churches, to educational organizations referred to in section 503 (b) (2), and to hospitals referred to in section 503 (b) (5).

We have held The Salvation Army and its State and Regional organizations and local posts exempt from Federal income tax under the provisions of section 101 (6) of the Internal Revenue Code of 1939, and that contributions made thereto are deductible by the donors in arriving at their taxable net income in the manner and to the extent provided by section 23 (o) and (q) of the 1939 Code.

Section 101 (6) and section 23 (o) and (q) of the 1939 Code correspond to section 501 © (3) and section 170 of the Code of 1954.

Based upon the evidence submitted it is the opinion of this office that the National Headquarters of The Salvation Army and its various components throughout the United States constitute a church or a convention or association of churches as that term is used in section 170 (b) (1) (A) (I) of the 1954 Code, and contributions made thereto are deductible by individual donors to the extent of the special rule provided in section 170 (b) (1) (A) of the 1954 Code.

Very truly yours
(signed) Justin F. Winkle
Assistant Commissioner
U.S. Treasury Department"

The Tax Reform Law of 1969 provides for mandatory exemption for a church or convention or association of churches which coincides with the 1955 letter above recorded.

CONFIRMATION

On 20 April, 1972, the following letter was written from the Internal Revenue Service to The Salvation Army's National Headquarters in New York:

"Gentlemen:

This refers to your letter of November 18, 1971, in which you request a ruling that the National Headquarters of The Salvation Army and its components be excluded pursuant to Sections 509 (a) (1) and 170 (b) 1) (A) (I) from "private foundation" classification.

You received a ruling dated October 10, 1955, which determined the National Headquarters of The Salvation Army and its various components throughout the United States do constitute a church or a convention or association of churches as that term is used in Section 170 (b) (1) (A) (I) of the Code.

Based on the information provided and assuming there have been no material changes in the organization or operation since the ruling dated October 10, 1955, we rule The Salvation Army and its various components throughout the United States constitute organizations described in Section 170 (b) (1) (A) (I) and therefore are not private foundations under Section 509 (a) (1).

Milwaukee, Wis.	ACCOUNTING PERIOD ENDING
FORM 990-A RE- QUIRED	
<input type="checkbox"/> YES <input checked="" type="checkbox"/> NO	December 31

On the basis of your stated purposes and the understanding that your operations will continue as evidenced to date or will conform to those proposed in your ruling application, we have concluded that you are exempt from Federal income tax as an organization described in section 501(c)(3) of the Internal Revenue Code. Any changes in operation from those described, or in your character or purposes, must be reported immediately to your District Director for consideration of their effect upon your exempt status. You must also report any change in your name or address.

You are not required to file Federal income tax returns so long as you retain an exempt status, unless you are subject to the tax on unrelated business income imposed by section 511 of the Code, in which event you are required to file Form 990-T. Our determination as to your liability for filing the annual information return, Form 990-A, is set forth above. That return, if required, must be filed on or before the 15th day of the fifth month after the close of your annual accounting period indicated above.

Contributions made to you are deductible by donors as provided in section 170 of the Code. Bequests, legacies, devises, transfers or gifts to or for your use are deductible for Federal estate and gift tax purposes under the provisions of section 2055, 2106 and 2522 of the Code.

You are not liable for the taxes imposed under the Federal Insurance Contributions Act (social security taxes) unless you file a waiver of exemption certificate as provided in such act. You are not liable for the tax imposed under the Federal Unemployment Tax Act. Inquiries about the waiver of exemption certificate for social security taxes should be addressed to this office, as should any questions concerning excise, employment or other Federal taxes.

This is a determination letter.

Very truly yours,

W. S. Stumpp

Dear Sir or Madam:

This is in response to your request of April 10, 2003, regarding your organization's tax exempt status.

Our records indicate that a determination letter issued in October 1987 granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(a)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Housing Partnership of the Fox Cities, Inc.
39-1582471

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

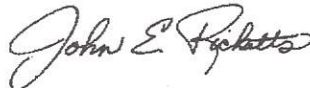

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. You are also required to make available for public inspection a copy of your organization's exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of \$20 a day for each day you do not make these documents available for public inspection (up to a maximum of \$10,000 in the case of an annual return).

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization's exempt status.

Sincerely,

John E. Ricketts, Director, TE/GE

RE: Match for the Continuum of Care Rapid Rehousing Application for the Fox Cities
Housing Coalition Continuum of Care

The Salvation Army is committed to reducing homelessness in the Fox Cities. Therefore it is our intention to partner with the City of Appleton to provide Rapid Re-housing and supportive services for homeless individuals in the Fox Cities.

As part of our commitment to this project, we will allocate at least \$30,000 as cash match (Salvation Army appropriations, private donations) to pay for the necessary case management/supportive services, incurred in this program. In addition, These funds will be available as needed from October 1, 2019 through September 30, 2020.

Our commitment has been, and will continue to be, to break the cycle of homelessness. Therefore we are delighted to have this opportunity to assist in making that happen by partnering with the City of Appleton on this grant application. Please contact Patrick Leigl at 920-955-1222, with any questions.

Sincerely,

Major Steve Merritt, Divisional Commander
