YHDP-CQI

- Continuous Quality Improvement (CQI)
 - The Team has chosen the Project, System and CCP goals and we are working with ICA on how to measure each goal and have report(s) created to measure this.
 - We should be able to have data for both Q1 (January-March) and Q2 (April-June) once the report is created.
 - There will be a meeting for anyone who is interested in our plan for accountability and forward movement of ending youth homelessness. The date for this meeting is TBD.
 - Training will be given and that is TBD as well.
- Diversion
 - Come out of CQI discussions
 - Staff is working on defining Diversion for the BOS and deciding the best way to go about capturing diversion for CQI for YHDP.
