Prevention Work Group

Working on a new Prevention Assessment

- Will be done soon. We're hopeful it will be sent to CE Committee in January for approval
- Purpose is to ensure the assessment is equitable and the questions are more directly related to prevention and potential barriers

Emergency Shelter Work Group

- Emergency Shelter Standards were approved by the Board of Directors on Nov. 7th, 2023
- They are posted on the WIBOSCOC website
 - BOSCOCC Forms, Standards and Policies
 - Project or Coalition-Level Standards and Policies
- Direct link: [BOSCOCC Forms, Standards and Policies \(wiboscoc.org\)](https://www.wiboscoc.org)

Domestic Violence (DV) Work Group

Currently working on creating a DV specific resource list for the BoS

- Agencies that participate in CE will be given this list so they can give it to a victim or survivor of DV if they are interested in additional resources.

Bi-monthly DV trainings

- Hosted by End Domestic Abuse of WI
- Topics to include: active listening skills, definition of fleeing
(Other topics to be determined)

Training months in 2024: Jan., March, May, July, Sept., Nov.

Will be held on the 4th Thursday from 10:00-11:00 am.

New CE Homeless Assessment

It's finally here!!

On Nov. 7th, it was voted on and approved by the Board of Directors

We created a timeline of the next steps to take before it is implemented.

CE Assessment Timeline

Trainings

For agencies that participate in CE

- CE Pre-screen and Barriers Assessment – Nov. 20th at 3:30 pm.
- HMIS – how to enter the assessment into the system – Nov. 28th at 9:00 am
- Non-HMIS – how to enter the assessment into the system at 11:00 am

Transition Period – Dec 1, 2023

SSOs will run the priority lists. These will be used during a 2-week transition period to fill housing opening.

During the 2-week period, all agencies must work to transition clients currently enrolled in CE by reassessing them with the new CE Barriers Assessment

We go live! – Dec. 18, 2023

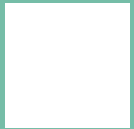

New reports will be active.

Clients that are not transitioned with a new assessment will show up with their assessment score missing.

This will flag the agencies that they need to reassess that person(s)

SSO staff and agencies that participate in CE will continue to work at getting that resolved.
