

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2024 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user’s application account, updating Applicant Profile) must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2024 Continuum of Care (CoC) Program Competition. For more information see FY 2024 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2024 CoC Program NOFO.
- Detailed instructions and e-snaps navigation guides can be found on the hud.gov website https://www.hud.gov/program_offices/comm_planning/coc/competition. The Detailed Instructions contain more comprehensive instructions and so should be used in tandem with the navigational guides.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2023 Project Application will be imported into the FY 2024 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- YHDP projects that are eligible for renewal under the CoC program may only use the YHDP Renewal or YHDP Replacement and Reallocation funding opportunities. Please review the NOFO for eligibility standards.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2024 CoC Program Competition NOFO.

Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

The data from previously submitted new and renewal project applications can be imported into a FY 2024 renewal project application. The “Submit without Changes” process is not applicable for first time renewing project applications or for a project application that did not import FY 2023 information and e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

Renewal projects that select “Yes - Individual Application in a Renewal Grant Consolidation” on the Renewal Grant Consolidation or Renewal Grant Expansion Screen may not use the “Submit Without Changes” process and esnaps will automatically be set to “Make Changes”. In addition, esnaps will automatically be set to “Make Changes” if the project applicant indicates on the Renewal Grant Consolidation or Renewal Grant Expansion Screen, this project application is for a “Yes - Stand-Alone Renewal Application in a New Grant Expansion” project application.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6A. Funding Request
- Screen 6D. Sources of Match
- Screen 6E. Summary Budget - All of Part 7: Attachments and Certification; and

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2023 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click “Save” and those screens will be available for edit. Once a project applicant selects a checkbox and clicks “Save”, the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions and e-snaps navigation guides found on HUD.gov to find more in depth information about applying under the FY 2024 CoC Competition.

Recipient Performance

- 1. Did you submit your previous year's Annual Performance Report (APR) on time? Yes

- 2. Do you have any unresolved HUD Monitoring or OIG Audit finding(s) concerning any previous grant term related to this renewal project request? No

- 3. Do you draw funds quarterly for your current renewal project? Yes

- 4. Have any funds remained available for recapture by HUD for the most recently expired grant term related to this renewal project request? Yes

4a. If HUD recaptured funds provide an explanation.

CWCAC had some funds remaining, after working with the WERA program in 2022, and 2023, rent was covered for most until April or May of 2023. We were able to start utilizing our housing programs again. TBRA was a program many choose to utilize when WERA ended as well, so CWCAC did a wera/tbra transition. In May of 2024 we were able to fill all of our units going over capacity with our Project Chance Rapid Re-Housing program. We currently have 20 households in our Project Chance Rapid Re-Housing. we should be able to utilize the entire grant going forward, and keep our program full.

Renewal Grant Consolidation or Renewal Grant Expansion

The CoC Competition will continue offering opportunities to expand or consolidate CoC projects.

1. Expansions and Consolidations will no longer be required to submit a combined version of the application.

a. Expansions will be required to ONLY submit a Stand-Alone Renewal and a Stand-Alone New application.

b. Consolidations will be required to ONLY submit a Survivor grant and a terminating grant. Up to 10 grants may be involved in a consolidation (Survivor + 9 Terminating grants)

2. Since no combined version will be submitted for either the Expansion or Consolidation, the combining of data will occur at Post-Award. HUD HQ will combine all units, beds and budgets prior to the Post-Award process. The field office and applicant will then be required to combine remaining project data at C1.9a (recipient step). HUD HQ will provide a data report with the data all combined. All that will be required for applicants to do is a simple copy and paste.

We hope this process will simplify and reduce any confusion when submitting expansions or consolidations. If you have any questions, please contact the AAQ.

1. Is this renewal project application requesting to consolidate or expand? No

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

Our PH-RRH Program serves HEARTH Act category 1 homeless individuals and families and category 4 persons fleeing or attempting to flee domestic violence, in Adams, Columbia, Dodge, Juneau and Sauk Counties. We use the HEARTH Act homeless definition for those who meet the following criteria: 1. Residing in a place not meant for human habitation; 2. Residing in an emergency shelter or coming directly from the streets; 3. those meeting criteria of paragraph (4) of the definition of homeless, including persons fleeing or attempting to flee domestic violence situations; 4. Residing in a transitional housing project that was eliminated; 5. Residing in transitional housing funded by a Joint TH and PH-RRH component project; or 6. Receiving services from a VA-funded homeless assistance program and met one of the above criteria at initial intake to the VA’s program. We practice Housing First, helping clients exit homelessness as quickly as possible, find housing, and achieve personal stability. We utilize coordinated entry - serving those with the greatest housing barriers/needs first. 17 program participants will be the leaseholders, following the provisions of HEARTH Act Interim Rule 24 CFR 578.51(l)(1). We sign a rental assistance agreement with the landlord. CoC RRH funds provide case management/supportive services, and some or all of the following: security deposit, up to 12 months of rental assistance (client pays 30% adjusted gross income), utility allowance and up to one month's rent to pay for damages. We acknowledge that, according to the Hearth Act Interim Rule (24 CFR 578.51) updates, rental assistance cannot be provided to a program participant who is already receiving rental assistance or living in a housing unit receiving rental assistance or operating assistance through other federal, State or local sources and that all rent collected for tenants must be used as program income. And according to 24 CFR 578.51 (l) Leases. (1) Initial Leases. For project-based, sponsor-based, or tenant-based rental assistance, program participants must enter into a lease agreement for a term of at least one year, which is terminable for cause. Leases must be automatically renewable for terms that are a minimum of one month long, except on prior notice by either party. We follow all provisions of HEARTH Act Interim Rule (24 CFR 578.51 and 24 CFR 578.51(l)(1)). Supportive services will assist with Mainstream Resource applications. Participants will not be terminated for failure to participate, failure to make progress, loss of income or activities not covered in the lease. We use WI BOS written standards for COC RRH. CWCAC coordinates with 2 DV Shelters, 3 homeless shelters, local St. Vincent de Paul & Salvation Army offices, Renewal Unlimited, Inc., Human Services, ADRC, PHA’s etc. to meet the needs of our clients and obtain services. CWCAC Project Chance Rapid Re-Housing will provide Case Management, Rental Assistance and Admin funds for this Rapid Re-Housing project as there are no other HUD funded COC projects in our 5-county local continua, and other funding sources for homeless services are insufficient to meet the need.

6A. Funding Request

VAWA Budget

In FY2024, the Violence Against Women Act (VAWA) has clarified the use of CoC Program funds for VAWA eligible cost categories. These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in e-snaps and eLOCCS. The BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

A. VAWA Emergency Transfer Facilitation. Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor’s emergency transfer(s). Additional details of eligible costs include:

- Moving Costs. Assistance with reasonable moving costs to move survivors for an emergency transfer(s).
- Travel Costs. Assistance with reasonable travel costs for survivors and their families to travel for an emergency transfer(s). This may include travel costs to locations outside of your CoC’s geography.
- Security Deposits. Grant funds can be used to pay for security deposits of the safe unit the survivor is transferring to via an emergency transfer(s).
- Utilities. Grant funds can be used to pay for costs of establishing utility assistance in the safe unit the survivor is transferring to.
- Housing Fees. Grant funds can be used to pay fees associated with getting survivors into a safe unit via emergency transfer(s), including but not limited to application fees, broker fees, holding fees, trash fees, pet fees where the person believes they need their pet to be safe, etc.
- Case Management. Grant funds can be used to pay staff time necessary to assess, coordinate, and implement emergency transfer(s).
- Housing Navigation. Grant funds can be used to pay staff time necessary to identify safe units and facilitate moves into housing for survivors through emergency transfer(s).
- Technology to make an available unit safe. Grant funds can be used to pay for technology that the individual believes is needed to make the unit safe, including but not limited to doorbell cameras, security systems, phone, and internet service when necessary to support security systems for the unit, etc.

B. VAWA Confidentiality Requirements. Examples of eligible costs for ensuring compliance with VAWA confidentiality requirements include:

- Monitoring and evaluating compliance.
- Developing and implementing strategies for corrective actions and remedies to ensure compliance.
- Program evaluation of confidentiality policies, practices, and procedures.
- Training on compliance with VAWA confidentiality requirements.
- Reporting to CoC Collaborative Applicant, HUD, and other interested parties on compliance with VAWA confidentiality requirements.
- Costs for establishing methodology to protect survivor information.
- Staff time associated with maintaining adherence to VAWA confidentiality requirements.

Enter the estimated amount(s) you are requesting for this project’s Emergency Transfer Facilitation costs and VAWA Confidentiality Requirements costs for one or both of these eligible CoC VAWA cost categories. The CoC VAWA BLI Total amount can be expended for any eligible CoC VAWA cost identified above.

1. Will this project use funds from this grant to provide for emergency transfer facilitation, which includes the costs of assessing, coordinating, approving, denying and implementing a survivor’s emergency transfer per Section III.B.4.a.(3) (a) of the NOFO? No

2. Will this project use funds from this grant to provide for VAWA confidentiality requirements, which includes the costs of ensuring compliance with the VAWA confidentiality requirements per Section III.B.4.a.(3) (b) of the NOFO? No

Rural Cost Budget

In FY2024, the CoC Program has added eligible rural cost budget categories to be added in a new CoC Rural Cost Budget Line Item (BLI). The BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. There are three CoC Program rural cost categories that can be requested for your CoC Rural Cost BLI.

- Short-term emergency lodging to include housing in motels or shelters, either by providing direct funding or through vouchers.
- Repairs to housing units in where individuals and families experiencing homelessness will be housed, including housing units.
- Staff Training to include professional development, skill development, and staff retention activities.

3. Will this project use funds from this grant to provide for short-terms emergency lodging, repairs to housing units and staff training per Section III.B.4.b.(3) (a) of the NOFO? No

4. Does this project propose to allocate funds according to an indirect cost rate? Yes

Indirect cost rate proposals should be submitted as soon as the applicant is notified of a conditional award. Conditional award recipients will be asked to submit the proposal rate during the e-snaps post-award process.

Applicants with an approved indirect cost rate must submit a copy of the approval with this application.

a. Please complete the indirect cost rate schedule below:

| Cognizant Agency | Indirect Cost Rate | Direct Cost Base | Plan approved by cognizant agency or will use 15% de minimis rate |
|------------------|--------------------|------------------|---|
| NA | 15% | \$24,301 | Will use 15% de minimis rate |

5. Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited: 1 Year

6. Select the costs for which funding is requested:

| Supportive Services | <input checked="" type="checkbox"/> |
| HMIS | <input type="checkbox"/> |
| VAWA | <input checked="" type="checkbox"/> |

The VAWA BLI is permanently checked. This allows any project to shift funds up to a 10% shift from another BLI if VAWA emergency transfer costs are needed.

The following information summarizes the funding request for the total term of the project. Budget amounts from the Leased Units, Rental Assistance, and Match screens have been automatically imported and cannot be edited. However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. Please note that, new for FY 2018, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.

RE: Letter of Support

To whom it may concern,

It is my pleasure to write this letter of support for additional housing resources for victims and survivors of intimate partner violence provided by Central Wisconsin Community Action Council.

Hope House of South-Central Wisconsin is a dual service agency that provides services to five Wisconsin counties. Hope House provides a 24/7 helpline, advocacy, supportive counseling, legal advocacy, community education and emergency shelter services. Hope House has provided services to victims of intimate partner violence for over thirty-five years and sexual violence for twenty years.

Hope House continues to see the struggle that survivors face with limited housing resources across out five county service area. Our case managers and advocates work diligently to assist survivors in locating housing resources; however, complicated rental histories and funding shortages often results in survivors returning to unsafe living situations out of necessity.

We are hopeful that this additional money will support our desire to assist more survivors of intimate partner violence in achieving safe stable housing. Hope House is willing to match this request up to \$10,000 in shelter advocacy and case management services.

Thank you for your consideration of this request. We look forward to increasing our ability to assist survivors.

Sincerely,

Laci Pustina
