

# Dairyland Continuum of Care

---

## Letter of Commitment

This agreement is for the implementation and administration of the WI BOSCO (Wisconsin Balance of State Continuum of Care) programming in the counties of Buffalo, Eau Claire, Jackson and Trempealeau. We are a collection of agencies, organizations, and individuals who are committed to ending homelessness in our community.

We promote community-wide collaboration to deliver housing and services to meet the specific needs of those who are homeless. Promoting the use of these programs and other mainstream resources will allow us to help our area homeless and housing-challenged community members become stably housed and self-sufficient.

As a representative of a member agency of the DCOC, or as an individual, I agree to the following:

- To maintain active participation in the DCOC,
- To vote as necessary in accordance with the bylaws,
- To participate in a committee, if necessary,
- To advocate on behalf of those who are housing-challenged or experiencing homelessness, and
- To coordinate and work with the WI BOSCO.
