Hospital MOU's – Chandra reached out to Brigdet from one of the hospitals with no reply as of yet. Duana had mentioned that maybe hospitals would be willing to sign to get people into Coordinated Entry if we can do it over the phone.

We discussed rewriting the MOU so it makes more sense and has more flexibility and to also make it more generic, so it can be tweaked. Also trying to get Social Services involved.

Amanda suggested training the hospitals to start the process so an outreach worker doesn't need to be called. Recommend that an intake be done in person as much as possible.

Email any changes of the MOU to Chandra Wakefield.

Duana thought getting the hospital MOU done first before we start on the foster care system.
