## **3 – Up date/status Hospital Discharge**

- **Data gathered from Hospitals and affiliations**

Data has been secured from all hospitals located in the balance of state. This information includes location and affiliation. This information will be sent out to the group.

- **Hospital discharge information from HMIS**

Duana reported Leigh was able to design a report providing the number of individuals were released into homelessness directly from Hospital or other residential non-psychiatric medical facility (HUD) and Psychiatric hospital or other psychiatric facility (HUD) during 2018 in the Balance of State. 248 were discharged into homelessness from Hospitals and 205 were discharged from Psychiatric hospital or mental facility.

## **4 – Other Discussion**

The committee agreed by consensus to begin a pilot program to determine how collaboration will work between the Hospital and the shelter. Amanda has volunteered to contact Mayo and Gunderson to discuss this possibly. Several suggestions were brought before the committee in reference to collaboration. One suggestion was to offer office space to the Hospital Case worker to assist our clients and give the hospital the opportunity to outreach into the community.

Amanda will provide a report at the next meeting.
