Importance: High

Good morning members of the Jefferson County CoC,

Every year CAC applies for the EHH grant and as part of this process, we must go through a certification process. Part of the process is to show minutes of a meeting (in this case an email vote) showing that the local coalition approves CAC being the lead agency for these funds for Jefferson County. Therefore, I would like to conduct this vote today.

Please send a reply with a YES or NO vote no later than Noon, Friday, March 1, 2019.

Today we are voting on **“Community Action Coalition For South Central Wisconsin, Inc. should be the 2019-2020 lead agency for the EHH grant for Jefferson County.”**

If you have questions, please let me know and thank you for your prompt attention to this email.

Sincerely,

Jeanette Petts
