## Introduction

---

This document provides detailed instructions for organizations completing the Fiscal Year (FY) 2023 Continuum of Care (CoC) Program YHDP Replacement Project Applications for funding available through the Notice of Funding Opportunity (NOFO). Through this NOFO, HUD will award funding to communities to implement coordinated approaches -- grounded in Housing First and public health principles -- to reduce the prevalence of homelessness, and improve services engagement, health outcomes, and housing stability among highly vulnerable individuals and families. HUD expects applicant communities to partner with health and housing agencies to leverage mainstream housing and healthcare resources as authorized by section 231 of the Department of Housing and Urban Development Appropriations Act, 2020 (42 U.S.C. 11364a; Public Law 116-94, approved December 20, 2019).

These instructions provide information for each question within renewal project applications in the electronic grants management system called *e-snaps*. Additional CoC Program guides and resources are located on The Department of Housing and Urban Development's [\(HUD\) website](#), including technical resources such as [How to Access the Project Application](#) and an *e-snaps* technical walkthrough.

Submission of a YHDP Replacement project application indicates your organization determined it wants the ability to provide non-CoC Program eligible housing and services to eligible youth experiencing homelessness. All YHDP Replacement project applications are limited to the one-year renewal amount of the eligible YHDP renewal. Your YHDP Replacement project application cannot exceed the one-year annual renewal amount (ARA).

The following documents provide information regarding CoC Program requirements for all projects awarded in this NOFO:

- [FY 2023 CoC Program Competition NOFO \(NOFO\)\\*](#)
- [24 CFR part 578 \(the Rule\)](#),
- [The McKinney-Vento Act, as amended by the HEARTH Act \(the Act\)](#), and
- [\*\*Local CoC Program policy guidelines for submitting YHDP Replacement project applications to the CoC or its designated committee or subcommittee.\*\*](#)

\*All YHDP Replacement project applications must comply with the NOFO under which they are awarded funding and the requirements of the Rule.

The following items provide information that will be helpful as you complete your project applications.

**Note:** not all items will be immediately available, but keep checking HUD's website and sign up for the listserv to be notified when items are available:

- Questions regarding information in these instructions may be submitted to [CoCNOFO@hud.gov](mailto:CoCNOFO@hud.gov); however, HUD cannot assist you with answering specific application questions.
- Questions related to *e-snaps* functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to [e-snaps@hud.gov](mailto:e-snaps@hud.gov).
- [CoC Project Application Navigational Guides](#) provide step-by-step instructions for navigating through *e-snaps*.

Project applicants can find additional information on [HUD's website](#) regarding the CoC Program requirements. The [HUD Exchange](#) also includes unofficial CoC Program information developed by [technical assistance providers](#).

**HUD has modified the project application in *e-snaps* to conform to the requirements for YHPD Replacement project applications. Even with these modifications, there are certain questions within the FY2023 YHDP Replacement application for which special instructions are given within these**

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

**instructions. Any special YHDP instructions are highlighted in **YELLOW** for the separate project types.**

This set of detailed instructions mirrors the eight parts of the new project application in *e-snaps* as listed below and in Table 1.

- Parts 1 and 2 are the same regardless of the project type.
- The visibility of *e-snaps* screens and questions for Part 3 through Part 6 are dependent on the project types as listed below following eligible YHDP replacement project types:
  - **Permanent Supportive Housing (PH-PSH),**
  - **Rapid Re-Housing (PH-RRH),**
  - **Joint Transitional Housing and Permanent Housing-Rapid Re-Housing (Joint TH and PH-RRH),**
  - **Transitional Housing (TH),**
  - **Supportive Services Only (SSO)–including SSO Coordinated Entry (CE), and**
  - **Homeless Management Information Systems (HMIS).**
- Parts 7 and 8 are the same regardless of the project type.

### What's New

---

- 1. VAWA Emergency Transfers.** The VAWA 2022 Reauthorization added the following activity the HEARTH statute to clarify CoC Program eligible costs for VAWA related emergency transfers for persons experiencing domestic violence, dating violence, sexual assault, or stalking.  
Section 423: Eligible Activities: (13) Facilitating and coordinating activities to ensure compliance with [the emergency transfer plan requirement in 34 U.S.C. 12491I] and monitoring compliance with [the confidentiality protections of the confidentiality requirement in 34 U.S.C. 12491I(4)].
- 2. Special YHDP Activities.** A new Special YHDP Activity has been added under question #4 related to short-term emergency lodging.  
YHDP Renewals can also add new Special YHDP Activities without the need for a grant amendment.
- 3. YHDP Replacements.** Multiple YHDP Renewals can now be included in one YHDP Replacement project. The YHDP Replacement application allows up to four YHDP Renewals to be replaced into one YHDP Replacement project. This YHDP Replacement budget cannot exceed the total budget of the combined renewals. All projects must share the same recipient.  
Additionally, One YHDP Renewal can now be broken up into multiple YHDP Replacements. The multiple YHDP Replacements combined budgetary amount cannot exceed the parent YHDP Renewal amount. All projects must share the same recipient.
- 4.** In the FY 2023 project applications it is important to understand a difference this year about using the [FY 2022 FMR](#) data as a required funding base for Rental Assistance and Leasing Budget Line Items (BLIs). The FMR amounts shown in these e-snaps application tables for accurate FY 2022 FMRs for the FMR areas you select. If this FY 2023 project application is selected for conditional award, updates based on the FY 2023 FMRs will be applied to these calculations based on your eligible BLI total. The adjusted amount will be shown in your new award total with exact amounts seen in this e-snaps table at post award.

## Important Reminders

---

- 1. HUD cannot correct project application errors.** Your project application must demonstrate compliance with the Rule and NOFO and you are responsible for submitting a project under the appropriate type and funding stream according to the FY 2023 NOFO and 24 CFR part 578 (except as otherwise provided in the NOFO).
- 2. HUD Forms and Certifications:** Required forms are included in *e-snaps* project application and must be completed before you will have access to the YHDP Replacement project application: If your organization has multiple CoC Program project applications, functionality was built into the HUD-2880 in the **Project Applicant Profile** so you only need to fill out the form's questions once for the **combined total** amount for all project applications being submitted.
- 3. System for Award Management (SAM) Registration.** Your organization must have an active SAM registration at the time of project application submission and conditional award. The SAM registration must be renewed annually so long as you receive CoC Program funds. HUD verifies that your organization has an active SAM registration prior to release of awarded funds, if conditionally selected for award, and will withhold processing funds if your organization's SAM registration has expired. You must also confirm your organization's Employer/Tax Identification Number (TIN) and Unique Entity Identifier (UEI/SAM) information is correct in both SAM.gov and the *e-snaps* Project Applicant Profile.
- 4. You have access to every *e-snaps* screen.** Under the YHDP funding opportunity, you can view every screen in *e-snaps* regardless of the component type chosen. This allows for flexibility in projects and budgets. Therefore, you must follow these instructions to determine which questions are required for the component type chosen for your project as not all apply to each component. For example, **HMIS** dedicated projects do not have housing units/beds, however, those projects will have access to that screen (**4B. Housing Detail**). It is critical you read the detailed instructions to determine how to proceed through your application.

## Project Applicant Profile

---

Before accessing and completing a project application, you should access the **Project Applicant Profile** to complete information for your organizational contacts, particularly:

- Authorized Representative must be the person in the organization authorized to sign legal documents and legally obligate funds for the applicant's organization.
- Secondary Contact, the person who can address matters in the absence of the authorized contact and who has knowledge of the project application.

Should HUD need to contact your organization to resolve a curable deficiency (see Section VIII.C of the NOFO), these are the two people who will receive the email notification with instructions on how to resolve and the timeframe required for resolution.

Additionally, you must complete the information for [Form HUD-2880, Applicant/Recipient Disclosure/Update Report \(HUD-2880\)](#). The information in this form is used to populate questions on Screen 1G and will automatically populate the total assistance requested from all your organization's project application(s).

To make changes to information populated from the profile, refer to the **Basic Instructions to Access a Project Applicant Profile** below, or if you need instructions on how to complete Form HUD-2880, refer to the additional instructions created by a HUD-approved technical assistance provider, available on the HUD Exchange, [Project Applicant Profile Navigational Guide](#) and [How to Complete HUD 2880 in \*e-snaps\*](#).

## All Projects – Part 1: HUD Forms and Certifications

---

Most information in Part 1 populates from the **Project Applicant Profile**. All other fields, including those in white or shaded in gray, are read-only, and either populated with information from the profile or other *e-snaps* data. You must review all information to ensure accuracy and update as needed.

You must complete several HUD required forms in Part 1 of *e-snaps* before you have access to the project application. All other parts of an *e-snaps* project application will remain hidden until this information is completed and saved, including all checkboxes certifying signed forms. The ‘**Submission Summary**’ screen will highlight any incomplete Part 1 screens that need further attention.

**Part 1 of the project application includes the following forms:**

**SF-424: Application for Federal Assistance**, Screens 1A-1F.

**HUD-2880: Applicant/Recipient Disclosure/Update Report**, Screen 1G.

**HUD-50070: Certification for a Drug Free Workplace**, Screen 1H.

**Certification Regarding Lobbying**, Screen 1I.

**SF-LLL: Disclosure of Lobbying Activities**, Screen 1J.

**SF-424B: Assurances for Non-Construction Projects**, Screen 1K, and

**SF-424D: Assurances for Construction Projects**, Screen 1L.

### Screen 1E. SF-424 Compliance

This EO allows each State to designate an entity to perform this function. A list of states that have chosen to review applications, along with State Points of Contact (SPOC) are available at: [SPOC-April-2020](#). If you will have projects in more than one state, you must check each state against the SPOC list as one state may require review while other states may not require review.

On Screen 1E, select 'a' or 'b' to indicate whether the application was selected for review by the state(s) in which the project operates (or will operate).

'a' indicates the state requires review of the application and enter the date on which the application was made available to the state(s). In cases where the SPOC has not reviewed an application prior to the application submission deadline, you must submit the application to meet the CoC Program Competition application deadline for funding consideration.

'b' indicates your organization is located within a state(s) that has chosen not to participate in EO 12372 or this project application has not been selected for review by the state(s), therefore, this CoC project application is not applicable in your state(s).

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

**20. Delinquent debt.** Required. On Screen 1E, select ‘Yes’ or ‘No’ to indicate whether your organization owes debt to any federal agency. Consistent with 31 U.S.C. 3720B and 28 U.S.C. 3201(e), if your organization has an outstanding federal debt, it is not eligible to receive HUD funds, unless one of the following applies:

- a negotiated repayment schedule is established, and the repayment schedule is not delinquent, or
- other arrangements satisfactory to HUD are made prior to HUD awarding funds.

An explanation of any debt owed, and the repayment arrangements must be provided on Screen 1E. If arrangements satisfactory to HUD cannot be completed within 90 days of notification of the conditional award, HUD will rescind the conditional award.

### Screen 1F. SF-424 Declaration

**On Screen 1F, you must click the checkbox next to the ‘I agree’ statement.** All fields are read-only and populate from the **Authorized Representative** listed in the **Project Applicant Profile**. By checking the box, you agree to all terms and conditions associated with this funding request and certify that the data and content in the project application (including all attachments) are true and correct. Screen 1F must identify the person authorized to act for your organization and assume the obligations imposed by all federal laws, program regulations, NOFO requirements, and conditions for a conditional grant award.

### Form HUD-2880: Applicant/Recipient Disclosure/Update Report, Screen 1G

This screen populates with information entered in the Project Applicant Profile. If any of the information is incorrect you will need to return to the Project Applicant Profile to make corrections that you will see when you return to this screen.

The Form HUD-2880 uses federal terminology that does not clearly match terminology used for the CoC Program and project applications. For CoC Program purposes, HUD is clarifying the meaning of ‘**specific project or activity**’ and ‘**this application**’ in Part 1 of the HUD-2880, questions 1 and 2. The legal requirements of the HUD-2880 as related to the CoC Program mean: any single organization/applicant equals one application for all accumulated project applications, regardless of how many individual project applications are submitted in the CoC Program Competition. Therefore, information in an *e-snaps* HUD-2880 includes the total amount of all the project applications applying for funds in the CoC Program Competition. For example, if organization XYZ is submitting three separate project applications at \$100,000 each for a total amount of \$300,000, then an answer of ‘Yes’ is required in Part 1 question 2 of the HUD-2880—as organization XYZ expects to receive assistance in excess of \$200,000. Since the total amount of funds requested by your organization exceeds \$200,000 for all project applications submitted, you must complete Parts II and III of the HUD-2880.

#### **Applicant/Recipient Disclosure/Update Report form HUD-2880 for CoC Program project applicants.**

- 1. Applicant/Recipient Name, Address, and Phone.** No action required. This information populates from the ‘**Authorized Representative**’ screen of the **Project Applicant Profile**.
- 2. Employer ID Number (EIN).** No action required. This information populates from the ‘**Organization Information**’ screen of the **Project Applicant Profile**. You should confirm the EIN populating is correct as an incorrect EIN will delay your organization’s ability to sign the grant agreement if selected for conditional award. EINs are confirmed by HUD prior to releasing funds to the electronic Line of Credit Control System (eLOCCS) and will be withheld from processing if the EIN is incorrect.

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

- 3. HUD Program.** No action required. This field populates with ‘**Continuum of Care Program**’.
- 4. Amount of HUD Assistance Requested/Received.** No action required. This field remains blank in the **Project Applicant Profile**. The amount in this field will populate based on the total funds requested for this project application from the ‘**Summary Budget**’ screen.
- 5. State the name and location (street address, City and State) of the project or activity.** No action required. This field populates with the following message: ‘**Refer to project name, addresses and grant number entered into the attached project application**’. The information this message references is located on the project application screen 1B. SF-424 Legal Applicant, 3A. Project Detail, and 4B. Housing Type and Location.

**Form HUD-2880 Part I. Threshold Determinations–Project Applicants Only.** Part I provides information to help you determine whether the remainder of the form must be completed.

- 1. Are you applying for assistance for a specific project or activity?** No action required. This information populates with ‘**Yes**’.
- 2. Have you received, or do you expect to receive assistance within the jurisdiction of the Department (HUD), involving the project or activity in this application, in excess of \$200,000 during this fiscal year (Oct. 1 - Sep. 30)? For further information, see 24 CFR Sec. 4.9.**

The answer to this question must be provided in the Project Applicant Profile for all an organization’s accumulated total of CoC Program project applications. If updates are needed to this question return to the **Project Applicant Profile**.

**Yes,** you must complete Parts II and III of this form. For instructions for completing Parts II and III, refer to pages 2-3 of the [HUD-2880](#). You must report any other government and non-government assistance involved in the project or activity for which assistance is sought (Part II), and you must report:

- all developers, contractors, or consultants involved in the application for assistance or in the planning, development, or implementation of the project or activity, and
- any person who has a financial interest in the project or activity.

If you need to report more assistance than available on the screen, attach the listing to this project application on Screen **7A. Attachments**.

**No,** review the information, check the box ‘**I agree**’.

**Certification:** The ‘**I agree**’ certification will appear at the bottom of the screen in the **Project Applicant Profile** and at the bottom of the copies of this form in all project applications your organization submits in *e-snaps*. You must certify in both the Project Applicant Profile and the project application that the information provided is accurate and complete.

## **Form HUD-50070: Certification of a Drug Free Workplace, Screen 1H**

---

The Form HUD-50070 populates information from the **Project Applicant Profile** and relevant data from the FY 2023 project application. **You must read and certify by checking the box toward the bottom of the screen.** Confirm the Authorized Representative information is accurate. If information on this form is inaccurate, see page 5 above for the **Basic Instructions to Access a Project Applicant Profile**.

## Certification Regarding Lobbying, Screen 1I

---

Per 2 CFR part 200, all federal agencies must require submission of the Certification Regarding Lobbying form, which populates information from the **Project Applicant Profile** and relevant data from the FY 2023 project application. This form clarifies which organizations must select ‘**Yes**’ on the next screen for the SF-LLL: Disclosure of Lobbying Activities form. **You must read and certify by checking the box toward the bottom of the screen.** Confirm the ‘**Authorized Representative**’ information is accurate. If information on this form is inaccurate, see page 5 above for the **Basic Instructions to Access a Project Applicant Profile**.

## SF-LLL: Disclosure of Lobbying Activities, Screen 1J

---

The **SF-LLL** populates information from the **Project Applicant Profile** and relevant data from the FY 2023 project application. The requirement related to lobbying as explained in the **SF-LLL** instructions states:

The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action.

For further clarification or questions on the **SF-LLL**, see the full form instructions on HUD’s website.

**Does the recipient or subrecipient of this CoC grant participate in federal lobbying activities (lobbying a federal administration or congress) in connection with the CoC Program? Select:**

**Yes**, if your organization, or subrecipient(s) if applicable, is engaged in lobbying and answering the questions as they appear on the screen. You must read, certify, and sign by checking the box toward the bottom of the screen (the check box will not appear until you answer the question above).

Confirm the ‘**Authorized Representative**’ information is accurate. If any information on this form is not accurate, see page 5 for **Basic Instructions to Access a Project Applicant Profile**.

**No**, if your organization, and subrecipient(s) if applicable, is not engaged in lobbying associated with the CoC Program.

## SF-424B: Assurances for Non-Construction, Screen 1K

---

Applicants and recipients are required to submit assurances of compliance with federal civil rights requirements. (*e.g.*, Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975, *see also* 24 CFR § 1.5, 3.115, 8.50, and 146.25). HUD accepts these assurances in the form of the SF-424B (Assurances of Non construction Programs), which also require compliance with all general federal nondiscrimination requirements in the administration of the grant.

## All Projects – Part 2: Subrecipient and Recipient Information and Experience

---

### Screen 2A. Subrecipient(s) – Attachment Requirement

If your project application includes a subrecipient(s) that will perform part, or all the activities included in this project application you must include the subrecipient(s) information on this screen and attach a copy of the subrecipient(s) nonprofit documentation on the **Attachments** screen. If this project will not include a subrecipient(s) you do not need to complete this screen.

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

For more information on the use of subrecipients and the difference between a subrecipient and a contractor, review the definition in 24 CFR 578.3, recipient responsibilities in 24 CFR 578.23(c)(4)(11), and the ‘Characteristics Indicative of a Subrecipient’ in the [July 24, 2015: Using Contractors in ESG and CoC Programs](#) located on the HUD Exchange.

Select add  to enter subrecipient information on the 2A Subrecipient Detailed screen(s). The primary ‘**Subrecipient**’ screen will compile a list of all subrecipients entered in the detailed screens. All grey fields will calculate after you complete and save this screen. Select ‘**Save & Back to List**’ to save the information and return to the primary screen. Select ‘**Save & Add Another**’ to add information for another subrecipient. To view and edit, select view . To delete, select .

### All Projects Screen 3A. Project Detail

All questions on Screen 3A must be completed for submission of this application.

1. **CoC Number and Name:** Required. Select the CoC Number and Name from the dropdown. **Selecting the correct CoC is critical.** The dropdown contains all CoCs that were registered in the FY 2023 CoC Program Registration process and are listed according to the CoC Number (e.g., NE-502) and CoC Name (e.g., Lincoln County CoC). Based on the selection made in this field, when ‘Submit’ is selected on Screen 8B, *e-snaps* will send this project application to the CoC selected.

**Note:** You should only use the ‘No CoC’ option in instances where a project is in a geographic area not claimed by any CoC.
2. **CoC Collaborative Applicant Name:** Required. Select the name of the Collaborative Applicant for the CoC you intend to submit the project application. The dropdown for this field is based on the CoC Number and Name selected above with the CoC’s designated Collaborative Applicant’s name that registered during the FY 2023 CoC Program Registration process.
3. **Project Name:** No action required. This field populates from the *e-snaps* ‘Project’ screens and is read-only. If the project name is incorrect, exit the project application screens and open the *e-snaps* ‘Project’ screens by selecting ‘Projects’ from the left menu to correct the information.
4. **Project Status:** Required. This field defaults to the ‘Standard’ option and should not be changed.
5. **Component Type:** Required. Select the component type for this YHDP project application which must match the current grant agreement, or grant agreement as amended:

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

**JOINT TH and PH-RRH ONLY:** Your description must also include the process used to allow program participants the choice of the housing type. Additionally, if you are not requesting CoC Program funds for both TH and PH-RRH units in this application, you must include the number of TH and PH-RRH units that will be utilized by your project from other funding source(s) and provide details of how TH and PH-RRH assistance will be provided for all program participants under this joint component. For example, if TH units are requested in this application and PH-RRH units will be funded from other sources, the description must include information as to where the funds for the PH-RRH units will come from, and if provided by a separate organization, provide organizational information and source funding for these units, including the number of units supported.

- evaluating the YHDP program or to develop YHDP specific reports,
- adding youth organizations to HMIS,
- outcomes and performance measures, and
- coordination with other organizations (e.g., federal, state, nonprofit).

Also, HMIS projects should also use general data (e.g., this project provides 'X' number of users with user training and assistance during the grant term) rather than specific dates to reduce the need to change project descriptions for annual renewal applications).

**1a. Provide a description that addresses how this project will follow Positive Youth Development.** (Not applicable for SSO-CE and HMIS).

**1b. Provide a description that addresses how this project will follow Trauma Informed Care.** (Not applicable for SSO-CE and HMIS).

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

will complete one column for each structure. You will estimate the number of days from grant execution for the first four questions, as applicable, for the requested project application. Nonapplicable fields can remain blank, or you can enter ‘0’ or ‘NA’.

Project Milestones	Days from Execution of Grant Agreement	Days from Execution of Grant Agreement	Days from Execution of Grant Agreement	Days from Execution of Grant Agreement
	A	B	C	D
Begin hiring staff or expending funds				
Begin program participant enrollment				
Program participants occupy leased or rental assistance units or structure(s), or supportive services begin?				
Leased or rental assistance units or structure, and supportive services near 100% capacity				

3. Check the appropriate boxes if this project will have a specific subpopulation focus. (Select ALL that apply). Required. **All YHDP projects must serve ‘Youth Under 25’; therefore, this box is already checked and cannot be edited.** Check additional boxes as appropriate to indicate this project will focus on additional subpopulations. The boxes checked should match the information provided in the project description. If an additional subpopulation focus for your organization is not listed, check the box next to ‘Other’ and enter the subpopulation in the text box provided.
- 3a. Identify the specific populations addressed in this project (Select ALL that apply) Required. Check the boxes to identify the subpopulation(s) served by your project. If a subpopulation(s) assisted by your organization is not listed, check ‘Other’ and enter in the subpopulation(s) in the text box.

**HMIS and SSO-CE** projects will check ‘Other’ and enter ‘All’.

**HMIS ONLY:** Will not be assessed on Questions 4 – 10 but will need to respond to the questions for which specific instructions are included below.

4. Will your project participate in the CoC’s Coordinated Entry (CE) Process or recipient organization is a victim service provider, as defined in 24 CFR 578.3 and uses an alternate CE process that meets HUD's minimum requirements? Required. Coordinated Entry is a process designed to coordinate program participant intake, assessment, and provision of referrals. A CE process must cover the entire CoC’s geographic area, is easily accessed by individuals and families seeking housing **or** services, is well advertised, and includes a comprehensive and standardized assessment tool and process. Participation in a CE process is a requirement for all applicants of CoC Program funds. Select:
  - Yes, if this project will participate in the CoC’s CE process or applicant organization is a victim service provider and uses an alternate CE process that meets HUD's minimum requirements.
  - No, if this project will not meet this criterion.
5. **Housing First.** Housing First is a model of housing assistance that prioritizes rapid placement and stabilization in permanent housing that does not have service participation requirements or preconditions (such as, sobriety or a minimum income threshold). See Section III.B.2.e of the NOFO

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

for additional information. A Housing First approach quickly connects individuals and families experiencing homelessness to permanent housing:

- no barriers to entry (e.g., sobriety, treatment, or service participation requirements),
- no preconditions (e.g., sobriety, income), and
- does not terminate program participants from the project for lack of participation (e.g., supportive service participation requirements or rules beyond normal tenancy rules).

Supportive services are voluntary and offered to maximize housing stability and prevent returns to homelessness. For further information refer to the: [Housing First in PSH Brief](#).

The questions in this section identify whether your project operates consistent with a Housing First approach.

**5a. Will the project quickly move participants into permanent housing?** Required. If ‘No’ is selected, 5d will be ‘No’ for following a housing first approach. Select:

**Yes**, if your project will rapidly move program participants into permanent housing and will not require additional steps (e.g., a required stay in transitional housing or a certain number of days of sobriety).

**HMIS** projects should select ‘Yes’.

If this is a Domestic Violence (DV) project application including survivors of human trafficking, sexual assault, stalking, and dating violence, select ‘Yes’ if the project will rapidly move program participants into permanent housing after the participant determines their immediate safety needs have been addressed (e.g., survivor(s) believes they are not in danger and want to move into their own permanent housing).

**No**, if the project requires additional steps prior to helping a program participant obtain permanent housing.

**5b. Will the project enroll program participants who have the following barriers? Select all that apply.** Required. Checking the box next to each item listed confirms your project will enroll a household if they present with the perceived barrier (e.g., if they will enroll a household that has no income at time of enrollment). Committing to not screening out participants for the first four boxes supports a housing first approach. If ‘None of the above’ is selected, 5d will be ‘No’ for housing first. If your project will not enroll a household that presents with any of the barriers listed below at the time of application (e.g., if you require a minimum income, require sobriety, and will not house people with a criminal record or a history of victimization), select ‘None of the above’.

- **Having too little or little income.**
- **Active or history of substance use.**
- **Having a criminal record with exceptions for state-mandated restrictions.**
- **History of victimization (e.g., domestic violence, sexual assault, childhood abuse).**
- **None of the above.**

**HMIS** should check all boxes except ‘None of the above’.

**5c. Will the project prevent program participant termination from the project for the following reasons? Select all that apply.** Required. Committing to not screening out

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

participants for the first four boxes supports a housing first approach. If ‘**none of the above**’ is selected, 5d will be ‘No’.

- **Failure to participate in supportive services,**
- **Failure to make progress on a service plan,**
- **Loss of income or failure to improve income,**
- **Any other activity not covered in a lease agreement typically found for unassisted persons in the project’s geographic area, and**
- **None of the above.**

**HMIS** should check all boxes except ‘None of the above’.

**5d. Will the project follow a ‘Housing First’ approach?** No action required. This question automatically populates based on the responses to questions 5a, 5b, and 5c.

**Yes**, is populated if you selected ‘Yes’ for question 5a **and** checked the first four boxes in questions 5b and 5c. This confirms the project will operate following a housing first approach.

**No**, is populated if you selected ‘No’ to question 5a **or** did not check all boxes **or** checked ‘None of the above’ for questions 5b or 5c. This confirms the project will not operate following a housing first approach.

**HMIS** projects should see ‘Yes’ populated.

Any project application with ‘Yes’ for question 3d commits to and must operate following Housing First during its FY 2023 grant term.

**6. Will program participants be required to live in a specific structure, unit, or locality, at any time while in the program?** Required. Select:

**Yes**, if any portion of the project will be site-based or require program participants to live in a specific locality, city, or specific area.

**No**, program participants will not be required to live in a specific locality, city, or area.

**Note:** If you are requesting tenant-based rental assistance (TRA), you may require program participants to live in a specific area or structure **only** for the first year of participation when it is necessary for coordination of supportive services.

**6a. Explain how and why the project will implement this requirement.** Required if you answered ‘Yes’ to question 6. Describe the reason for this program design. For example, if your organization owns a building where program participants will reside, or you will require program participants meet with a case manager at least monthly in their first year of assistance and the case managers offices are located in the specific area. If you are requesting TRA, explain why implementing this requirement is necessary for providing supportive services.

**7. Will more than 16 persons live in a single structure?** Required.

**Yes**, indicates more than 16 persons will reside in a single structure.

**No**, if this will not occur.

**7a. Describe the local market conditions that necessitate a project of this size.** Required if you answered ‘Yes’ to question 7. In the text box provided, explain the local market conditions that require placing more than 16 persons in a single structure.

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

**7b. Describe how the project will be integrated into the neighborhood.** Required if you answered ‘Yes’ to question 7. In the text box provided, explain how your organization will successfully integrate program participants into the neighborhood.

**8. The following questions must be answered for ‘Coordinated Entry’ projects.** This field populates based on the selection made for question 6a on screen 3A.

**8a. Will the coordinated entry process cover the CoC’s entire geographic area?** See Section II.B.1 of the *Coordinated Entry Notice* for additional information. Select:

**Yes**, if the funding request from this project will be used to meet this requirement.

**No**, funds from this project will not meet this requirement.

**8b. Will the coordinated entry process be affirmatively marketed and easily accessible by individuals and families seeking assistance?** Required for coordinated entry project applications. The CoC’s coordinated entry must be affirmatively marketed and easily accessible by individuals and families seeking housing and services. Select:

**Yes**, if the CoC’s coordinated entry is affirmatively marketed to those least likely to apply for housing and services in the absence of special outreach.

**No**, if the coordinated entry does not meet the criteria.

**8c. Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance.** Required for coordinated entry project applications. Use the textbox provided to describe the advertisement strategy that will ensure coordinated entry will be accessible to individuals and families with the highest barriers to accessing assistance including persons with disabilities, and persons with limited English proficiency (see 24 CFR 578.93(c)). Using bullets instead of full paragraphs is appropriate.

**8d. Does the coordinated entry process use a comprehensive, standardized assessment process?** Required for coordinated entry project applications. See Sections I.C.4 and II.B.2 of the *Coordinated Entry Notice* for additional information. Select:

**Yes**, if the standardized assessment process meets the criteria.

**No**, if the standardized assessment does not meet the criteria.

**8e. Describe the referral process and how the coordinated entry process ensures program participants are directed to appropriate housing and services.** See Section II.B.3 of the *Coordinated Entry Notice* for additional information. Describe how the referral process for homelessness resources is coordinated with CoC and ESG providers according to the CoC’s written Coordinated Entry process. Using bullets instead of full paragraphs is appropriate.

**8f. If the coordinated entry process includes differences in access, entry, assessment, or referral for certain subpopulations, are those differences limited only to the following five groups: (1) adults without children, (2) adults accompanied by children, (3) unaccompanied youth, (4) households fleeing domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions (including human trafficking), and (5) persons at risk of homelessness?** Select:

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

**Yes**, if the CoC only limits differences identified to the five groups permitted in Section II.B.2 of the *Coordinated Entry Notice*.

**No**, if they does not meet this criteria and limits differences in access, entry, assessment, or referral for more than the five groups permitted.

### **8. (PH-PSH ONLY) Is this project 100% Dedicated or DedicatedPLUS or Other?** Required.

Question is only available to PH-PSH projects. All YHDP replacement **PH-PSH** projects must select from the following:

**100% Dedicated** (see Section III.B.2.b of the NOFO) indicates the project is serving only those individuals and families who meet the definition of chronically homeless in 24 CFR 578.3. If you select ‘**100% Dedicated**’ all vacancies must be filled with program participants who meet the definition of chronically homeless.

**DedicatedPLUS** (see Section III.B.2.g of the NOFO) indicates the project is serving only those individuals and families who meet the DedicatedPLUS definition.

**Special YHDP Activities and Supportive Services Budget Connection**

Certain Special YHDP Activities will have a Supportive Services (SS) budget connection. We recommend you add text in the Supportive Services ‘quantity and description’ field on how certain Supportive Services costs are connected to Special YHDP Activities. You may use the table below to determine what Special YHDP Activity is connected to what Supportive Services cost. If there is no Supportive Service cost connection listed below, you do not need to include anything in the Quantity and Description for that Special YHDP Activity.

Note: The Special YHDP Activities listed are the only ones that have a Supportive Services cost connection. If you do not see a Special YHDP Activity listed, that means it doesn’t have a Supportive Services cost connection. If you have questions, please contact the youth resolution team mailbox @ [yhdpresolutionteam@hud.gov](mailto:yhdpresolutionteam@hud.gov).

### All Projects Part 4: Housing and Services

---

#### All Projects 4A. Supportive Services for Program Participants

**HMIS and SSO-CE ONLY:** Questions 1 and 2 are required but will not be assessed if this is a dedicated HMIS or SSO-CE project and you should enter ‘NA’ in the text box. Questions 3-6 are not required and do not need to be completed for HMIS or SSO-CE projects.

**1. Describe how program participants will be assisted to obtain and remain in permanent**

**housing:** For projects that include housing as an activity (even if housing is not provided using CoC funds): An acceptable response will acknowledge the needs of the target population and include a plan that addresses the types of assistance that will be provided by the project applicant, or other partners, to ensure program participants served by this project will move into appropriate permanent housing as well as either remain in or move to other permanent housing once assistance is no longer needed. Additionally, if you coordinate with other partners, include their role in meeting this criterion. The description should include:

- how you will determine the right type of housing that fits the needs of program participants (this should match the information entered on screen **4B. Housing Type**),
- if you will use rental assistance or leasing assistance, how you will work with landlords to address possible issues and challenges,
- the type of assistance and support you will provide to program participants to overcome challenges to permanent housing (e.g., case management, housing counseling, employment resources), and
- how you will work with program participants to set goals towards successful retention of permanent housing.

Finally, if this project will exclusively assist victims of domestic violence, the description must include safety planning addressing the needs of this particular homeless population towards meeting the goal of obtaining and maintaining permanent housing.

**JOINT TH and PH-RRH ONLY:** The description should include how program participants are assisted to ensure regardless of the type of housing chosen, TH or PH-RRH, there is a plan in place to ensure youth program participants are positioned to either obtain permanent housing if they chose TH or remain in permanent housing if they chose PH-RRH.

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

**SSO Non-CE ONLY:** describe how participants will be assisted to quickly exit homelessness by obtaining or retaining housing.

2. **Describe the specific plan to coordinate and integrate with other mainstream health, social services, and employment programs for which program participants may be eligible.** Required. Describe how this project will help program participants obtain the benefits for which they are eligible. Additionally, if you coordinate with other partners, include their role in meeting this criterion. The description should include:
  - assisting program participants with obtaining and increasing employment income that will lead to successful exits from homelessness (e.g., local employment programs, job training opportunities, educational opportunities),
  - the type of mainstream services you will assist program participants with obtaining to increase non-employment income (e.g., SSI, SSDI, Food Stamps, Veterans benefits),
  - the type of social services you will provide access and help program participants obtain (e.g., childcare, food assistance, TANF, early childhood education), and
  - access to healthcare benefits and resources (e.g., Medicaid, Medicare, healthcare for the homeless, FQHCs).
  - **Additionally, address how youth will be assisted to obtain education and life skills training.**
3. **How will the project allow youth the ability to choose the providers and interventions that fit their needs?** Required. Describe how participants choose providers and interventions that fit their needs.
4. **How will the project respond to the different needs for service type, intensity, and length of supports for youth?** Required. Describe how the project responds to the different needs for service type, intensity, and length of supports.
5. **For all supportive services available to program participants, indicate who will provide them and how often they will be provided.** Required. From the list of supportive services provided, select the service(s) provided by your project to program participants from, your organization (Applicant), subrecipient(s), partner organization(s), or non-partner organization(s) (e.g., Workforce Board). You should select all services that will be provided to program participants to assist them in exiting homelessness, not just the costs for which you are requesting from HUD in this project application.

If more than one ‘**Provider**’ or ‘**Frequency**’ is relevant for a single service, select the provider and frequency that is used most. If more than one provider offers the service equally as often, choose the provider according to the following order: (1) Applicant, (2) Subrecipient, (3) Partner, and (4) Non-Partner.

**Provider:** For the supportive services listed, select one of the following as applicable:

- ‘**Applicant**’ indicates your organization will provide the supportive service,
- ‘**Subrecipient**’ indicates the subrecipient(s) listed on Screen 2A. Project Subrecipients will provide the service,
- ‘**Partner**’ indicates an organization other than a subrecipient of CoC Program funds, but with whom a formal agreement or (MOU) was signed to provide the service, or
- ‘**Non-Partner**’ indicates a specific organization with whom no formal agreement was established regularly provides the service to program participants.

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

**Frequency:** Required. For each supportive service selected, use the dropdown to indicate how often the service is provided to program participants. If two frequencies are equally common, select the interval that is most frequent, (e.g., both weekly and monthly are equally common—select weekly).

**Identify whether the project includes the following activities:**

**6. Transportation assistance to program participants to attend mainstream benefit appointments, employment training, or jobs?** Required. Select:

**No,** if transportation will not regularly be provided or cannot be provided consistently as requested.

**7. Annual follow-up with program participants to ensure mainstream benefits are received and renewed?** Required. Select:

**Yes,** if the project follows-up with program participants annually to ensure they applied for mainstream benefits (e.g., TANF, food stamps, SSI) for which they are eligible, receiving the benefits, and renew benefits as required.

**No,** if the project does not follow-up with program participants annually.

**8. Will program participants have access to SSI/SSDI technical assistance provided by this project, subrecipient, or partner agency?** Required. Select:

**Yes,** if program participants have access to SSI/SSDI technical assistance. Assistance can be provided by the project applicant, a subrecipient, or a partner agency—through a formal or informal relationship.

**No,** if there is no or significantly limited access to SSI/SSDI technical assistance.

**8a. Has the staff person providing the technical assistance completed SOAR training in the past 24 months?** Required if ‘Yes’ is selected for question 6. Select:

### All Projects Screen 4B. Housing Type and Location

**HMIS projects and Projects that do not include housing activities:** HMIS or any other YHDP Replacement projects that do not include housing can select 'None' as an option for question #1. If 'None' is selected, no other fields or questions will appear on the screen.

This screen will capture the number of Units, Beds, and Dedicated CH Beds for each housing type and location. The numbers reported must reflect the units and beds at full capacity on a single night that will be supported by CoC Program funds or eligible match funds. This includes units supported only by CoC Program supportive services funds without CoC Program leasing, operating, or rental assistance funds. The reported number of units and beds should generally match the number of households (units), and persons (beds) as listed on Screens 5A and 5B, although there are understandable exceptions (e.g., a two-parent household where the parents share a bed).

The primary 4B screen provides a summary of the units and beds included in the project according to the following categories:

**Total Units**, all units in the project, regardless of size.

**Total Beds**, all beds in the project, regardless of unit configuration (e.g., a 2-bedroom unit serving a family with 2 children may have 3 beds – one for adult(s) and two for each child or may only have 2 beds if the 2 children will share a bed).

**PH-PSH: Total Dedicated CH Beds**, all CH beds **dedicated** for individuals and families experiencing chronic homelessness.

**Beds for Youth:** Enter the number of beds designated for youth program participants.

The summary table on the primary 4B screen aggregates the individual 'Housing Type and Location detail' screens. To add a detail screen, select add  and complete the mandatory fields. Select 'Save & Back to List' to save the information and return to the primary screen. Select 'Save & Add Another' to add another detail screen. To view and edit, select view . To delete, select .

- Housing type:** Required. Report the type of housing structures where program participants are housed. Each housing type must be listed individually. Select from the following housing types:
  - Barracks:** Individuals or families sleep in a large room with multiple beds. **This type is not appropriate for the PH-PSH and PH-RRH projects and should not be selected.**
  - Dormitory (shared or private rooms).** Individuals or families share sleeping rooms or have private rooms, share a common kitchen, common bathrooms, or both. **This type is not appropriate for the PH-RRH projects and should not be selected.**
  - Shared housing:** Two or more unrelated people share a house or an apartment. Each unit must contain private space for each individual or family, plus common space for shared use by residents of the unit. Projects cannot use zero or one-bedroom units for shared housing.
  - Single Room Occupancy (SRO) units:** Individuals have private sleeping or living room which may contain a private kitchen and bath, or shared, dormitory style facilities.
  - Clustered apartments:** Individuals or families have a self-contained housing unit located within a building or complex that houses both persons with special needs (e.g., persons formerly experiencing homelessness, persons with substance abuse problems, persons with mental illness, or persons with AIDS/HIV) and persons without special needs.

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

- **Scattered-site apartments (including efficiencies):** Individuals or families have a self-contained apartment. Apartments are scattered throughout the community.
  - **Single family homes/townhouses/duplexes:** Individuals or families have a self-contained, single-family home, townhouse, or duplex that is located throughout the community.
2. **Indicate the maximum number of Units and Beds available for program participants at the selected housing site:** Required. For this type of housing, enter the total number of units and beds.
- **Units:** Enter the total number of units available at full capacity on a single night in the selected housing type and location.
  - **Beds:** Enter the total number of beds available at full capacity on a single night in the selected housing type and location.

**Note:** A zero bedroom or efficiency must be indicated as 1 unit, 1 bedroom, and 1 bed. In addition, the number of units and beds listed on Screen 4B must be equal to or greater than the total number of units requested in the budget, Part 6 in this guide, and the number of beds **should correlate** to the number and characteristics of persons that the project is expected to serve as recorded on Screens 5A and 5B.

3. **PH-PSH ONLY:** How many beds in ‘2b. Beds’ are dedicated to persons experiencing chronic homelessness? Required. If you selected ‘100% Dedicated’ to question #8 on Screen 3B. Project Description, you must enter all beds as dedicated for individuals and families experiencing chronic homelessness. If you selected ‘DedicatedPLUS’ you can enter the number of beds that will be dedicated CH, but this is not required so long as all program participants who enter the project will meet the ‘DedicatedPLUS’ requirements in Section III.B.2.g of the NOFO.

If your project has dedicated CH beds to serve families experiencing chronic homelessness, you will enter all beds for the household as CH beds.

If this is a TH, and SSO Non-CE project application, or you selected DedicatedPLUS or None to question #8 on Screen 3B. Project Description, enter ‘0’.

3. or 4. **Beds for Youth:** Required. Enter the total number of beds for youth program participants.
4. or 5. **Address:** Required. Enter the address for all properties for which funding is requested. If the location is not yet known, enter the expected location of the housing units. For scattered-site and single-family housing, or for projects that have units at multiple locations, you should enter the address where the majority of units and beds will be located. If the project uses tenant-based rental assistance, or if the address for scattered-site or single-family homes cannot be identified at the time of application, enter the address for your administration office. Projects serving survivors of domestic violence must use a PO Box or other anonymous address to ensure the safety of program participants.

**PH-RRH:** Since PH-RRH projects use tenant-based rental assistance (TRA) and the address for scattered-site or single-family homes housing cannot be identified at the time of application, enter the address for the project’s administration office. Projects serving survivors of domestic violence must use a PO Box or other anonymous address to ensure the safety of program participants.

- 5 or 6. **Select the geographic area associated with this address:** Required. Select the geographic area(s) associated with the address entered for this project. The geographic areas listed are limited by the state(s) selected on Screen 1D of the application. If you need to select multiple geographic areas due to units located in more than one county or city. Hold down the ‘Ctrl’ key to make multiple selections.

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

### Joint TH and PH-RRH Screen 4B. Housing Type and Location

This screen captures the numbers of units and beds for both the TH and PH-RRH portions of this project application.

**You must enter information for both the TH and PH-RRH portions on the ‘Housing Type and Location and Detail’ screen of this project, even if one of the housing types will be funded through other source(s) rather than through the CoC Program.** You will have a minimum of two entries, one for TH and one for PH-RRH. Additionally, you must ensure your project has sufficient units and beds for both housing types to allow program participants the choice of housing they prefer as you cannot direct a program participant to one type of housing over the other.

**The CoC Program required rule is PH-RRH units must be twice the amount of those provided through the TH.** The total numbers reported must reflect the total units and total beds at full capacity on a single night for both the TH and PH-RRH portions of the project. This includes units supported only by CoC Program supportive services funds without CoC Program leasing, operating, or rental assistance funds. Generally, the reported number of beds should match the number of persons served and households, as listed on Screens 5A and 5B although there are understandable exceptions (e.g., a two-parent household where the parents share a bed).

The primary 4B screen provides a summary of the units and beds included in the project according to the following categories for which all cells must have a number greater than ‘0’:

	TH	RRH	Total
<b>Total Units:</b>			
<b>Total Beds:</b>			

- **Total Units**, all **units** in the project, regardless of size.
- **Total Beds**, all **beds** in the project, regardless of unit configuration (e.g., a 2-bedroom unit serving a family with 2 children may have 3 beds – one for adult(s) and two for each child or may only have 2 beds if the 2 children will share a bed).

The summary table on the primary 4B screen aggregates the individual ‘**Housing Type and Location detail**’ screens. To add a detail screen, select add  and complete the mandatory fields. Select ‘**Save & Back to List**’ to save the information and return to the primary screen. Select ‘**Save & Add Another**’ to add another detail screen. To view and edit, select view . To delete, select .

At a minimum you will complete two separate ‘**Housing Type and Location Detail**’ screens, one for the TH portion of the project and one for the PH-RRH portion of the project.

**1. Is this housing type for the TH portion or RRH portion of the project?** Required. Select:

- **TH**, indicates you are completing the information on this screen for the TH portion of the project, or
- **RRH**, indicates you are completing the information on this screen for the PH-RRH portion of the project.

**1a. Does this TH portion of the project have private rooms per household?** Select:

**Yes**, if the units in the TH portion of the project have private rooms per household.

**No**, if households do not have private rooms and must share sleeping spaces with other households.

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

2. **Housing type:** Required. Report the type of housing structures where program participants are housed. Each housing type must be listed individually. If more than one housing type for each housing portion of this project is used you will need to complete a '**Housing Type and Location Detail**' for each (e.g., if the TH portion will use both Scattered-site and Clustered apartments, you will complete this screen twice for the TH portion in addition to the RRH portion).

Select from the following housing types.

- **Barracks:** Individuals **or** families sleep in a large room with multiple beds.
  - Can be used for TH units and beds of this joint project.

  - Can be used for the TH units and beds of this joint project.
  - Not appropriate for PH-RRH units and beds and should not be selected.
- **Shared housing:** Two or more unrelated people share a house or an apartment. Each unit must contain private space for each individual or family, plus common space for shared use by residents of the unit. Projects cannot use zero or one-bedroom units for shared housing.
- **Single Room Occupancy (SRO) units:** Individuals have private sleeping or living room which may contain a private kitchen and bath, or shared, dormitory style facilities.
- **Clustered apartments:** Individuals or families have a self-contained housing unit located within a building or complex that houses both persons with special needs (e.g., persons formerly experiencing homelessness, persons with substance abuse problems, persons with mental illness, or persons with AIDS/HIV) and persons without special needs.
- **Scattered-site apartments (including efficiencies):** Individuals or families have a self-contained apartment. Apartments are scattered throughout the community.
- **Single family homes/townhouses/duplexes:** Individuals or families have a self-contained, single-family home, townhouse, or duplex that is located throughout the community.

- **Section 8,**
- **HUD-VASH,**
- **Mixed Funding, or**
- **Other.**

If multiple funding sources are used for this housing type and location (e.g., CoC and HUD-VASH), select '**Mixed Funding**'. If you selected '**Mixed Funding**' or '**Other**', enter detailed information in the textbox that appears with this selection'.

4. **Indicate the maximum number of Units and Beds available for program participants at the selected housing site:** Required. For this type of housing, enter the total number of units and beds.

- **Beds:** Enter the total number of beds available at full capacity on a single night in the selected housing type and location.

**Note:** A zero bedroom or efficiency must be indicated as 1 unit, 1 bedroom, and 1 bed. In addition, the number of units and beds listed on Screen 4B must be equal to or greater than the total number of units requested in the budget, Part 6 in this guide, and the number of beds **should correlate** to the number and characteristics of persons that the project is expected to serve as recorded on Screens 5A and 5B.

5. **Beds for Youth:** Enter the number of beds designated for youth program participants.
6. **Address:** Required. Enter the address for all properties for which funding is requested. If the location is not yet known, enter the expected location of the housing units. For scattered-site and single-family housing, or for projects that have units at multiple locations, you should enter the address where the majority of units and beds will be located. Where the project uses tenant-based rental assistance, or if the address for scattered-site or single-family homes cannot be identified at the time of application, enter the address for the project’s administration office. Projects serving survivors of domestic violence must use a PO Box or other anonymous address to ensure the safety of program participants.
7. **Select the geographic area associated with this address:** Required. Select the geographic area(s) associated with the address entered for this project. The geographic areas listed are limited by the state(s) selected on Screen 1D of the application. If you need to select multiple areas due to units located in more than one county or city, hold down the ‘Ctrl’ key to make multiple selections.

### All Projects Part 5: Program Participants

**Note:** While this section does not apply to HMIS and SSO-CE projects, due to *e-snaps* functionality requirements, numbers must be entered before the form can be saved and project application can be submitted. **For HMIS and SSO-CE applications we recommend entering ‘1’ on screen 5A in any column, and then a ‘1’ in the appropriate corresponding column in screen 5B.**

### All Projects Screen 5A. Program Participants – Persons and Households

The information on this screen captures program participant information that includes the number of households the project will serve, the characteristics of those households, and the number of persons for each household type, as applicable.

\*If your project serves both **Persons over age 24** and **Persons ages 18-24**, the numbers entered for both must match the number entered under **Households with at Least One Adult and One Child**. For example, if your project serves 10 households with adults over the age of 24 and 5 households with persons between the ages of 18 and 24, these two fields added together must equal 15.

### All Projects Screen 5B. Project Participants - Subpopulations

The following table appears on this screen to capture the subpopulation information for the households entered on Screen 5A and are based on a single point in time. Referring to Screen 5A, for each household where numbers were entered, enter those numbers in the appropriate column for that section. You will only enter numbers in the categories where you entered numbers on Screen 5A and the numbers in this table must match the numbers from the table on Screen 5A.

If the numbers for all three sections of this table do not match and correlate to Screen 5A, you will receive an error message to correct the information entered on this screen.

Projects that are TH and SSO Non-CE are not required to serve 100% CH. Additionally projects that select DedicatedPLUS or None are not required to serve 100% CH.

#### Special Requirements:

**PH-PSH Only: 100 % Dedicated.** If 100 % Dedicated was selected on Screen 3B, all households numbers must be entered under the ‘**Chronically Homeless**’ (CH) column for the appropriate household and must:

- match the number of beds entered for question ‘**2. Beds**’ on Screen 4B, and
- the head of household must have a qualifying disability and meet the definition of chronically homeless in 24 CFR 578.3

**PH-PSH Only: Disability,** all PH-PSH projects require at least one household member has a qualifying disability (see 42 U.S.C.423(d).

**PH-PSH Only: 100 % Dedicated or DedicatedPLUS,** the head of household must have a qualifying disability and meet the definition of chronically homeless in 24 CFR 587.3 or the definition of DedicatedPLUS in Section III.B.2.g of the NOFO.

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

To complete the columns correctly, the following rules apply for all three household types:

- The numbers entered for the following columns **cannot be duplicated** within these three subpopulations:
  - **CH (Not Veterans)**—number of chronically homeless non-veterans which must match the number of beds entered for question ‘**2B. Beds**’ on Screen 4B. Do not include chronically homeless veterans, or
  - **CH Veterans** —number of chronically homeless veterans, regardless of discharge reason, or
  - **Veterans (Not CH)**— number of veterans who do not meet the chronically homeless definition.
  
- The numbers entered for the following columns **can be duplicated** and should reflect the estimated subpopulations program participants fall under:
  - **Chronic Substance Abuse,**
  - **HIV/AIDS,**
  - **Mentally Ill,**
  - **Domestic Violence (DV),** includes survivors of human trafficking, sexual assault, stalking, and dating violence,
  - **Physical Disability,**
  - **Developmental Disability, and**
  - **Persons Not Represented by a Listed Subpopulation.** For this last item, you will be required to enter a description of program participants who fall into this category that will appear at the bottom of the table on this screen.

### All Projects Part 6: Budgets

Part 6 captures the budget information for the project application. HUD requires your project to request and use funds for eligible costs as outlined in the Rule for each budget and will verify project expenditures during field office monitoring or OIG audits. Any ineligible expenditures can result in monitoring or audit findings that could result in your organization repaying HUD for any ineligible CoC expenses.

### All Projects Screen 6A. Funding Request

Screen 6A provides the framework through which a project applicant creates a project budget.

**1. Will it be feasible for the project to be under grant agreement by September 15, 2025?** Select:

**Yes**, to indicate the project intends to have a signed grant agreement by September 15, 2025. All funds conditionally awarded in the FY 2023 CoC Program Competition must be obligated via grant agreement no later than September 15, 2025.

**No**, the project does not intend to have a signed grant agreement by September 15, 2025. By selecting this response, you will not be able to submit this project application in *e-snaps*.

**2. What type of CoC funding is this project applying for in this FY 2023 CoC Program Competition?** This question automatically defaults to ‘YHDP Replacement’.

**3. Does this project propose to allocate funds according to an indirect cost rate?** Required. See Section V.B.3.j of the NOFO for additional information and select:

**Yes**, if your project will use an indirect cost rate either approved by a cognizant agency or will use the 10 percent de minimis rate.

**No**, your project will not use an indirect cost rate.

**3a. Complete the indirect cost rate table below:** Required if you answered ‘Yes’ to question 1. Complete using information from your approved indirect cost agreement or enter 10 percent to use de minimis rate:

- **Cognizant Agency** – if you have an approved indirect cost agreement, enter the name of the Cognizant Agency with whom you have the agreement (e.g., HUD, HHS), or if using the 10 percent de minimis enter ‘NA’.
- **Indirect Cost Rate** – enter one of the following if you:
  - have an approved indirect cost agreement, enter the rate percentage (e.g., 15 %) or
  - will use the 10 percent de minimis rate, enter 10 %.
- **Direct Cost Base** – enter the amount of your direct cost base for this application.

- Select a grant term:** This field populates with ‘**1-Year**’ and is read-only.
- Select the costs for which funding is being requested:** Required. Check the boxes for the Budget Line Items (BLIs) your project requests funds (see 24 CFR 578, Subpart D, Program Components and Eligible Costs and 24 CFR 578.87(c)–Restriction on Combining Funds to ensure eligible use of funds).
  - **Leased Units,**
  - **Leased Structures,**
  - **Rental Assistance,**
  - **Supportive Services,**
  - **Operating,** and
  - **HMIS**
  - **VAWA**
- If conditionally awarded, is this project requesting an initial grant term greater than 12 months? (13 to 18 months).** Required only if you requested a 1-year grant term in question 4. For additional information see Section V.B.3.f.(1) of the NOFO. Select:
  - Yes,** if you are requesting up to 6 additional months to operate this project.
  - No,** if you expect to operate this project with a 12-month grant term.
- 6a. Select the number of months requested for the initial grant term. (Dropdown of 13 to 18 months).** Required if ‘Yes’ was selected to question 6. Using the dropdown, select the total number of months you are requesting for the initial grant term.

### All Projects Screen 6B. Leased Units Budget

You have access to this budget if you check ‘**Leased Units**’ on Screen 6A. The primary screen will aggregate the total assistance requested and total units requested for each FMR area listed on a ‘**Leased Units Budget Detail**’ screen. To add another ‘**Leased Units Budget Detail**’ screen, select add . All grey fields will calculate after you complete and save this screen. Select ‘**Save & Back to List**’ to save the information and return to the primary screen or select ‘**Save & Add Another**’. To view and edit, select view . To delete, select .

**JOINT TH and PH-RRH:** Your project application can only request these costs if related to the TH portion of the project, these costs are ineligible for the PH-RRH portion.

**Metropolitan or non-metropolitan Fair Market Rent area:** Required. Select FMR area(s) from the dropdown menu for the location(s) you are requesting funds. The list is sorted by state abbreviation, and most areas calculated by county or metropolitan area. The selected FMR area is used to populate the per

unit rent amount in the FMR Area column on this screen. If your project provides units in more than one FMR area, you must create a separate ‘**Leased Units Budget Detail**’ screen for each FMR area.

- **Size of units:** No action required. These options are system generated. The size of units are in line with the [FMR tables](#); however, for clarification, the ‘**0-bedroom**’ unit listed in *e-snaps* is the ‘**efficiency**’ unit size on the FMR table and the FMR table does not include SRO units for which the per unit rent is calculated at 75 percent of the efficiency rate.
- **Number of units:** Required. For each unit size, enter the number of units for which you are requesting funds.
- **FMR: No action required but it is important to understand that due to *e-snaps* limitations for the FY 2023 project applications, the [FY 2022 FMR](#) data showing in this table is accurate.** The FMR amounts shown in *e-snaps* application tables for both a Leasing BLI and a Rental Assistance BLI are **FY 2022 FMRs** for the FMR areas you selected above. If this FY 2023 project application is selected for conditional award, updates based on the FY 2023 FMRs will be applied to these calculations based on your eligible BLI total. The adjusted amount will be shown in your new award total with exact amounts seen in this *e-snaps* table at post award.
- **HUD Paid Rent (Actual amount requested can be less than FMRs):** Enter the amount you are requesting for each unit and bedroom. The amount entered cannot exceed the FMR amount under ‘**FMR Area**’, which for this year are the [FY 2022 FMRs](#). For a new project’s Leasing BLI table can request full FY 2022 FMRs or by using ‘Actual’ less than FMR amounts by entering these amounts into the ‘HUD Paid Rent’ column. When you choose to enter amounts less than FMR, the expectation of serving the same level of service is expected even when you decrease this BLI total amount by following the “10 percent or less shift rule” to move ‘excess’ funds into other BLIs, including into the new VAWA and Rural BLIs.

**Note:** After the first term of a project, upon its first renewal, the *e-snaps* tables for Leasing BLI and Rental Assistance BLI become your calculated financial base and not the primary base counts of units and beds. For a renewal project application, the unit and bedroom counts in Leasing BLIs and Rental Assistance BLI should remain the same. When you choose to reduce the amount of funds in the BLI total, this is done by entering in the lower financial request as ‘**Actuals**’ less than FMR and not by adjusting units/bedrooms in this financial table. Therefore, the base for financial calculations remains the same in this table for a calculated financial BLI change and counts for a performance base may diverge from the unit and beds counts on *e-snaps* screen 4B and household and person counts on *e-snaps* screen 5A.

- **12 Months:** No action required. These fields are populated with the value 12 to calculate the annual rent request.
- **Total Request:** No action required. This column populates with the total calculated amount from each row.
- **Total Units and Annual Assistance Requested:** No action required. This column calculates based on the sum of the total requests per unit size per year.
- **Grant Term:** No action required. This field populates with ‘**1-Year**’ and is read-only.
- **Total Request for Grant Term:** No action required. This field calculates the total amount of funds you are requesting, multiplied by the grant term selected.

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

### All Projects Screen 6C. Leased Structures Budget

You have access to this budget if you check **‘Leased Structures’** on Screen 6A. The primary screen will aggregate the total assistance of leased structures requested on **‘Leased Structures Budget Detail’** screen(s). To add leased structures, select add  to access the detail budget screens. All grey fields will calculate after you complete and save this screen. Select **‘Save & Back to List’** to save the information and return to the primary screen or select **‘Save & Add Another’**. To view and edit, select view . To delete, select .

**JOINT TH and PH-RRH: Your project application can only request these costs if related to the TH portion of the project, these costs are ineligible for the PH-RRH portion.**

On the **‘Leased Structures Budget Detail’** enter the **Structure Name** by which you will identify the leased structure (e.g., name of the property, the street name where it is located), **Street Address, City, State,** and **Zip Code**. Lastly, enter the monthly amount of HUD paid rent you are requesting for each structure. The amount of leased funds will be calculated by 12 months to populate the **‘Total Annual Assistance Requested’**.

### All Projects Screen 6D. Rental Assistance Budget

You have access to this budget if you check **‘Rental Assistance’** on Screen 6A. The primary screen will aggregate the totals for each FMR area **or** rental assistance type listed on **‘Rental Assistance Detail’** screens. Select add  to access a new **‘Rental Assistance Detail’** screen. All grey fields will calculate after you complete and save this screen. Select **‘Save & Back to List’** or select **‘Save & Add Another’**. To view and edit, select view . To delete, select .

**Type of Rental Assistance:** Required. Select the type of rental assistance from the dropdown:

- PRA – project-based rental assistance where program participants must reside in housing provided through a contract with the owner of an existing structure whereby the owner agrees to lease subsidized units to program participants. Program participants may not retain their rental assistance if they relocate to a unit outside the project.
- SRA – sponsor-based rental assistance where program participants must reside in housing owned or leased by a sponsor organization and arranged through a contract between the recipient and the sponsor organization. or
- TRA – tenant-based rental assistance where program participants select any appropriately sized unit within the CoC’s geographic area, although recipients or subrecipients may restrict the location under certain circumstances to ensure the availability of the appropriate supportive services.

If you have more than one rental assistance type for the project, you must create a separate detail budget screen for each rental assistance type, even if they are in the same FMR area. For example, if the project consists of 10 PRA units and 10 TRA units in County A, you must submit two **‘Rental Assistance Budget Detail’** screens for County A—one for the 10 PRA units and one for the 10 TRA units.

**JOINT TH and PH-RRH: Your project application can only request these costs if related to the PH-RRH portion and the only eligible type of rental assistance is TRA.**

**Metropolitan or non-metropolitan Fair Market Rent area:** Required. Select FMR area(s) from the dropdown menu for the location(s) you are requesting funds. The list is sorted by state abbreviation, and most areas calculated by county or metropolitan area. The selected FMR area is used to populate the per

unit rent amount in the FMR Area column on this screen. If your project provides units in more than one FMR area, you must create a separate **‘Rental Assistance Budget Detail’** screen for each FMR area.

The **Rental Assistance Annual Budget** table accounts for the size of units, number of units requested, FMR for each unit size multiplied by 12 months to account for annual rent that is summarized by row in the **‘Total Request’** column.

- **Size of units:** No action required. These options are system generated. The size of units are in line with the FMR tables; however, for clarification, the **‘0-bedroom’** unit listed in *e-snaps* is the **‘efficiency’** unit size on the FMR table and the FMR table does not include SRO units for which the per unit rent is calculated at 75 percent of the efficiency rate.
- **Number of units:** Required. For each unit size, enter the number of units for which funding is requested.
- **FMR: No action required. (Note: due to esnaps limitations in the FY 2023 process, entering the FY 2022 FMRs amounts in this new project application are accurate).** The amounts shown in this table are [FY 2022 FMRs](#) for the FMR areas you selected. In addition, CoC Program project applications must request the full FY 2022 FMRs in this initial funding request and you can choose ‘Actual’ less than FMR amounts upon renewal, if needed to shift funds to other BLIs. If this FY 2023 project application is selected for conditional award, updates from the **FY 2023 FMRs** will be applied to these calculations.
- **Note:** All Rental Assistance BLI requests in YHDP Replacement project applications must be for the full FY 2022 FMR, whereas a Leasing BLI can have requests for Actual FMR requests for **‘HUD Paid Rent’** that are less than the FY 2022 FMR amounts.
- **12 Months:** No action required. These fields are populated with the value 12 to calculate the annual rent request.
- **Total Request:** No action required. This column populates with the total calculated amount from each row.
- **Total Units and Annual Assistance Requested:** No action required. This column calculates based on the sum of the total requests per unit size per year.
- **Grant Term:** No action required. This field populates with a **1-year** grant term and is read-only.
- **Total Request for Grant Term:** No action required. The total rental assistance request is based on the information entered on this screen.

### All Projects Screen 6E. Supportive Services Budget

You have access to this budget if you check **‘Supportive Services’** on Screen 6A. The supportive services listed are based on the eligible supportive services in 24 CFR 578.53.

See 24 CFR 578.53(e)(17) for information regarding direct provision of services that apply to the individual budget items (e.g., if funds will be used to pay for a cell phone for the case manager, the monthly cost of the cell phone, will be included on the Case Management line, if funds will be used to pay for staff time to drive program participants to appointments, the staff pro-rated salary, benefits, etc., will be included in the Transportation line). For this reason, you must provide detailed information for quantity and description for each eligible cost requested.

The itemized budget screen includes 17 eligible Supportive Services costs:

\*See 24 CFR 578.53(a) to determine if you are eligible to apply for funds in this category as it does not apply to all project applications.

Enter the quantity, detail, and budget request for each cost requested. The total amounts calculate when applicants select ‘Save’.

- **Eligible Costs:** No action required. The categories listed are eligible supportive services costs for which funds can be requested under 24 CFR 578.53.

**Sources of Match Detail Screen(s):** Enter match information on this screen based on the current commitments at the time of project application submission that will apply to the grant term if selected for conditional award, not based on projections. Match contributions can be cash, in-kind, or a combination of both. Match must be no less than 25 percent of the total request, including Administration costs, but excluding Leasing costs (i.e., Leased Units and Leased Structures). If your match amount exceeds 25 percent, HUD will expect you to produce the higher amount included in the project application if selected for conditional award.

**Example:** If the ‘**Total Assistance Requested**’ for a project is \$100,000 without leasing costs, then you must match funds of no less than \$25,000.

The summary table on the primary ‘**Sources of Match**’ screen aggregates the multiple cash and in-kind commitments entered in the ‘**Sources of Match Detail**’ screens. To add a detail screen, select add  and complete the mandatory fields. Select ‘**Save & Back to List**’ to save the information and return to the primary screen. Select ‘**Save & Add Another**’ to add another detail screen. To view and edit, select view . To delete, select .

You need to complete this screen for each type of match commitment you want to include with your project application. Once completed with this ‘**Sources of Match Detail**’ screen, return to the ‘**Sources of Match**’ screen where you will see the total commitment amounts for Cash, In-Kind, and All, as applicable.

1. **Type of Commitment:** Required. Select ‘**Cash**’ or ‘**In-Kind**’ (non-cash) to indicate the type of contribution that describes this match commitment. If applications include third-party in-kind match, you need to attach MOU(s) documentation that confirms the in-kind match commitment.

**Cash**, if you will use cash to satisfy the match requirement.

**In-Kind**, if you will use the value of any real property, equipment, or services contributed to this project that are eligible costs under the CoC Program.

2. **Source:** Required. Select:

**Private**, the match will be provided by a non-government entity.

**Government**, the match will be provided by a government entity (e.g., HUD-VASH (VA Supportive Housing program)) so long as the government funds do not prohibit their use as match for another federal program.

3. **Name of Source:** Required. Enter the name of the organization providing the contribution. Be specific and include the office or grant program as applicable.

4. **Amount of Written Commitment:** Required. Enter the total dollar value of the contribution.

### All Projects Screen 6I. Summary Budget

This screen summarizes the total funding request for a project application based on the budget screens completed. If you need to make an adjustment to any of the budget amounts shown on this screen, access the budget screen (e.g., Rental Assistance) to make the adjustment.

There is only one field on this screen you can edit, the ‘**Admin**’ field. If you request Administrative Costs for this project, enter the amount of requested funds. If you enter an amount in this field, you may be required to return to the ‘**Sources of Match**’ screen to update the match amount for this project application. The total amounts are calculated by *e-snaps* when you select ‘**Save**’.

- **#11. Admin:** Enter the amount of requested administrative funds. You can only request up to 10 percent of the amount listed in the field ‘**7. Sub-Total Costs Requested**’. If an ineligible Admin

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

amount is entered, *e-snaps* will report an error when the screen is saved, ‘**The Administrative Costs exceed 10 percent of the Sub-Total Costs Requested**’. The error message will inform you of the maximum amount of administrative costs you can request, and you must update the **Admin.** amount.

The summary budget also includes the amount of Cash, In-Kind, and Total Match entered on Screen 6D. To adjust match amounts, return to Screen 6D. If an ineligible match amount is entered, *e-snaps* will report an error when the screen is saved, ‘**The Total Match amount is less than 25 percent**’. The error message will inform you of the minimum amount of match funds you are required to have for this project, and you will need to return to a ‘**Sources of Match Detail**’ screen to make the necessary adjustments to increase the match amount for this project application.

### All Projects – Part 7: Attachments and Certification

---

Part 7 is available in all project applications to upload attachments and complete the certification.

#### Screen 7A. Attachments

This screen includes three links that allow you to upload and attach supplementary information to the project application. While *e-snaps* will allow you to submit the project application without attaching supplementary documentation, below is a list of items you should attach if your project application includes one or more of the following:

- **Letters from both the YHDP Lead and the Youth Action Board.**
- **Additional documentation needed to explain YHDP project innovations.**
- **Subrecipients.** Attach nonprofit documentation for each nonprofit organization identified on Screen ‘**2A. Subrecipients**’. Nonprofit status is documented by submitting either: (1) a copy of the Internal Revenue Service (IRS) final determination letter providing tax-exempt status under Section 501(c)(3) of the IRS Code (preferred), or (2) a certification from a licensed CPA that the organization meets each component of the definition of a private nonprofit organization as defined by 24 CFR 578.3.
- **Third-Part In-Kind Match.** If your project application includes a third-party in-kind match commitment on the ‘**Sources of Match**’ screen you have a separate ‘**7A Attachments**’ screen that should be used to attach the required Memorandum of Understanding (MOU) or Memorandum of Agreement (MOA) between your organization and the organization providing the in-kind match. Documentation is required prior to issuance of the grant agreement if your renewal project is selected for conditional award.
- **Replacement Reserves.** If your project application will utilize replacement reserve as part of the CoC Program operating budget, you must attach supporting documentation that includes:
  - total amount of funds that will be placed in reserve during the grant term,
  - system(s) to be replaced that includes the useful life of the system(s), and
  - repayment schedule that includes the payment amount.
- **Federally Approved Indirect Cost Rate.** If your organization has a Federally approved indirect cost rate agreement as entered on the **6A Funding Request** screen, the approved agreement must be attached to this project application.

Failure to include the attachment for any of the above items that are part of the project application may result in delays of grant processing if selected for conditional award as this information must be sent to the

## FY 2023 CoC Program YHDP Replacement Detailed Instructions

local HUD CPD field office for review. If the information is attached, conditional awards can be processed timely.

### Screen 7B. Certification

Screen 7B populates with the name and information of your organization’s Authorized Representative from the **Project Applicant Profile**. You must read, certify, and sign by checking the box at the bottom of the screen to submit the project application. If your organization is a Public Housing Agency (PHA), you must also include the PHA number. By completing the certification, the Authorized Representative agrees to the terms and conditions provided on the screen, on behalf of your organization. To make changes to information populated from the profile, refer to the **Basic Instructions to Access a Project Applicant Profile** above.

## All Projects – Part 8: Submission Summary

---

Part 8 includes Screen ‘**8B Submission Summary**’, which is available for all project applications.

### Screen 8B. Submission Summary

Screen 8B provides a summary of all project application screens and the ‘**Submit**’ button. The ‘**Last Updated**’ column provides the status of each screen listed, and the date the screen was completed. The ‘**Mandatory**’ column indicates whether a screen must be fully completed to submit the project application to the Collaborative Applicant in *e-snaps*. After the **Project Applicant Profile** is confirmed accurate, all required project application screens are completed, and all appropriate attachments are uploaded, the project application can be submitted in *e-snaps*. All submitted project applications are sent to the CoC identified on Screen 3A.

The following table explains the columns on the Submission Summary page.

Complete	Page	Last Updated	Mandatory
-- = no information is required. <b>Green</b> √ = Ok <b>Red X</b> = incomplete screen.	Provides the name of each Screen.	<b>Date (MM/DD/YYYY)</b> = date information on the screen was updated and saved. <b>Please Complete</b> = the screen identified has errors or has not been fully completed. <b>No Input Required</b> = No information is required on this screen to submit.	<b>Yes</b> = screen includes questions that must be answered to submit. <b>No</b> = screen does not include questions that must be answered to submit.

If the **Submission Summary** page has the following for each **Row**, you will be able to click ‘**Submit**’ and your project application will be sent to your CoC for review, scoring and ranking. All project applications accepted and ranked by the CoC will be included in the CoC Consolidated Application once it is submitted to HUD by the application submission deadline in the NOFO.

- All green √ or -- in the **Complete** column, and
- Date (MM/DD/YYYY) in the **Last Updated** column.

After the application is submitted in *e-snaps*, use the ‘**export to PDF**’ link to save the application as a PDF or to print a hard-copy of the application. The PDF version of the application serves as a record of submission.
