Please assess the following for the client (and anyone in the home or accompanying them on the visit)

- Please remain at a distance of at least six (6) feet when screening
- If no one in the home or in the visits is ill, proceed with the visit

Tips for Home Visiting

Preparing & Arriving for a Visit

**Follow “COVID-19 Home Visiting Screening Flowchart”
to determine whether to proceed with a visit.**

What to Bring

Bring only items necessary for the visit into the home.

Avoid placing belongings on tabletops and counters that might have high levels of germs.

Store personal items securely in your vehicle prior to arriving at the location.

Supplies:

- Hand sanitizer
- Clorox wipes
- PPE that you would typically bring on visits/inspections (e.g., masks, gloves)

Arrival & Greeting

Greet families verbally

Follow screening flowchart to determine whether to proceed with visit

Avoid physical contact:

- Handshakes
- Hugging
- Kissing
- If possible, maintain the recommended 6 feet distance between people.

Avoid doorknobs

- Allow family members to open the door or use a barrier.
