

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

Things to Remember:

- Additional training resources can be found on the HUD.gov at [https://www.hud.gov/program\\_offices/comm\\_planning/coc](https://www.hud.gov/program_offices/comm_planning/coc).
- Questions regarding the FY 2024 CoC Program Competition process must be submitted to [CoCNOFO@hud.gov](mailto:CoCNOFO@hud.gov).
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to [e-snaps@hud.gov](mailto:e-snaps@hud.gov).
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2024 Continuum of Care (CoC) Program Competition. For more information see FY 2024 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2024 CoC Program NOFO.
- Detailed instructions and e-snaps navigation guides can be found on the hud.gov website [https://www.hud.gov/program\\_offices/comm\\_planning/coc/competition](https://www.hud.gov/program_offices/comm_planning/coc/competition). The Detailed Instructions contain more comprehensive instructions and so should be used in tandem with the navigational guides.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2023 Project Application will be imported into the FY 2024 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- YHDP projects that are eligible for renewal under the CoC program may only use the YHDP Renewal or YHDP Replacement and Reallocation funding opportunities. Please review the NOFO for eligibility standards.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2024 CoC Program Competition NOFO.

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

The data from previously submitted new and renewal project applications can be imported into a FY 2024 renewal project application. The “Submit without Changes” process is not applicable for first time renewing project applications or for a project application that did not import FY 2023 information and e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

Renewal projects that select “Yes - Individual Application in a Renewal Grant Consolidation” on the Renewal Grant Consolidation or Renewal Grant Expansion Screen may not use the “Submit Without Changes” process and esnaps will automatically be set to “Make Changes”. In addition, esnaps will automatically be set to “Make Changes” if the project applicant indicates on the Renewal Grant Consolidation or Renewal Grant Expansion Screen, this project application is for a “Yes - Stand-Alone Renewal Application in a New Grant Expansion” project application.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6A. Funding Request
- Screen 6D. Sources of Match
- Screen 6E. Summary Budget - All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2023 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click “Save” and those screens will be available for edit. Once a project applicant selects a checkbox and clicks “Save”, the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions and e-snaps navigation guides found on HUD.gov to find more in depth information about applying under the FY 2024 CoC Competition.

## Recipient Performance

1. Did you submit your previous year's Annual Performance Report (APR) on time? Yes
  
2. Do you have any unresolved HUD Monitoring or OIG Audit finding(s) concerning any previous grant term related to this renewal project request? No
  
3. Do you draw funds quarterly for your current renewal project? Yes
  
4. Have any funds remained available for recapture by HUD for the most recently expired grant term related to this renewal project request? No

## Renewal Grant Consolidation or Renewal Grant Expansion

The CoC Competition will continue offering opportunities to expand or consolidate CoC projects.

1. Expansions and Consolidations will no longer be required to submit a combined version of the application.

a. Expansions will be required to ONLY submit a Stand-Alone Renewal and a Stand-Alone New application.

b. Consolidations will be required to ONLY submit a Survivor grant and a terminating grant. Up to 10 grants may be involved in a consolidation (Survivor + 9 Terminating grants)

2. Since no combined version will be submitted for either the Expansion or Consolidation, the combining of data will occur at Post-Award. HUD HQ will combine all units, beds and budgets prior to the Post-Award process. The field office and applicant will then be required to combine remaining project data at C1.9a (recipient step). HUD HQ will provide a data report with the data all combined. All that will be required for applicants to do is a simple copy and paste.

We hope this process will simplify and reduce any confusion when submitting expansions or consolidations. If you have any questions, please contact the AAQ.

### 1. Is this renewal project application requesting to consolidate or expand? No

This screen is currently read only and only includes data from the previous grant. To make changes to this information, navigate to the Submission without Changes screen, select "Make Changes" in response to Question 2, and then check the box next each screen that requires a change to match the current grant agreement, as amended, or to account for a reallocation of funds.

1. Provide a description that addresses the entire scope of the proposed project.

The Wisconsin HMIS Renewal Project provides funding for Wisconsin's statewide HMIS. The HMIS is utilized by all four WI CoCs and is a critical foundation for all homeless services in the state. The HMIS has a shared governance structure, with all four HUD CoCs providing oversight for the project. In addition to all non-DV CoC funded projects participating in the system, all ESG funded projects (state and entitlement) are using the system, as well as 100% of VA GPD, VA SSVF programs, HHS PATH programs, and many other presently non-mandated state and federal programs. The HMIS is compliant to the newly released data standards/dictionary, and accurately generates all federally required reports, including the CoC APR CSV, ESG CAPER CSV, SPMs and LSA reports, RHY CSV, SSVF CSV, and AHAR. ICA operates the HMIS in a statewide regional format, with staff at scattered sites. ICA staff work with numerous state and federal funded partners to ensure high quality, reporting, and system use for projects such as Coordinated Entry. The project provides: Technical Assistance and Training – ICA provides a curriculum-based training to the CoC on topics such as security and privacy, new user training, grant and project specific training, point-in-time training, sub-populations (ie youth, veterans, chronically homeless) training, report training, and advanced user training. CoC Performance - ICA provides oversight and actively manages the collection and reporting of all HUD report formats. This includes implementation of data collection and reporting for the HEARTH performance outcomes as well as implementation of coordinated entry in HMIS. These tasks are done in coordination with CoC leadership. Many of these reports are run on a monthly or quarterly basis to monitor data completeness and performance throughout the year. ICA has already implemented HMIS system performance measures as well as coordinated entry in HMIS for all CoCs. Point in Time - ICA staff review PIT data accuracy and follows up with agencies. Once all data collection and validation are completed, the data are submitted to HUD's Homeless Data Exchange (HDX) for the PIT count and the Housing Inventory Chart (HIC). In addition, a final PIT report is provided to the CoC. Data Analysis/Reporting – Project specific, Agency, and CoC level system performance measures are critical to show success of investments in strategies to reduce the number, frequency and duration of homeless episodes in the CoC. ICA provides reports allowing agencies to monitor their progress toward annual goals of the CoC, including system performance measures. Reports will be available for the CoC to determine progress on system goals developed locally, and performance goals established by HUD. ICA staff possess an in-depth understanding of the system generated reports for federal funders, including the HUD APR CSV, SPMs and LSA reports, RHY CSV, the VA SSVF CSV, the ESG CAPER CSV, and the PATH report.

## 4A. HMIS Standards

This screen is currently read only and only includes data from the previous grant. To make changes to this information, navigate to the Submission without Changes screen, select "Make Changes" in response to Question 2, and then check the box next each screen that requires a change to match the current grant agreement, as amended, or to account for a reallocation of funds.

1. Is the HMIS currently programmed to collect all Universal Data Elements (UDEs) as set forth in the FY 2024 HMIS Data Standard Manual? Yes

2. Does HMIS produce all HUD-required reports and provide data needed for HUD reporting? (i.e., Annual Performance Report (APR)/CoC reporting, Consolidated Annual Performance and Evaluation Report (CAPER)/ESG reporting, Longitudinal System Analysis (LSA)/Annual Homeless Assessment Report (AHAR), System Performance Measures (SPM), and Data Quality Table, etc.). Yes

3. Is your HMIS capable of generating all reports required by all Federal partners including HUD, VA, and HHS? Yes

4. Does HMIS provide the CoC with an unduplicated count of program participants receiving services in the CoC? Yes

5. Describe your organizations process and stakeholder involvement for updating your HMIS Governance Charters and HMIS Policies and Procedures.

The HMIS Lead Agency works closely with the HMIS Advisory Board, which is made up of a representatively diverse group of HMIS system users, homeless service agencies, policy makers, and CoC leadership from all four HUD recognized continua to create, review, and update both the Governance Charter and the Policies and Procedures on an annual basis. These governance documents are provided to the CoCs for review and approval. HMIS Advisory Board members and the HMIS Lead Agency are available to the CoC to answer any questions and take suggestions on updates to these documents. Additionally, the HMIS Lead Agency collects feedback and suggestions from HMIS end users and participating agencies throughout the year and incorporate suggestions into the policies where needed.

**6. Who is responsible for insuring the HMIS implementation meets all privacy and security standards as required by HUD and other federal partners?**

The Wisconsin HMIS Policies and Procedure Manual outlines in writing that the HMIS Lead Agency and HMIS Partner Agencies are jointly responsible for ensuring that HMIS data processing capabilities, including the collection, maintenance, use, disclosure, the transmission and destruction of data, comply with the HMIS privacy, security and confidentiality policies and procedures. The HMIS Lead Agency is responsible for ensuring that the HMIS vendor adheres to its contractual obligations regarding data security and functionality.

Each Partner Agency must designate a Security Officer. The Security Officer must have HMIS knowledge and may also be the Designated Agency HMIS Contact. The Security Officer is responsible for ensuring compliance with applicable security standards, monitoring HMIS access by users at their agency, and maintaining the security of the HMIS for their agency.

**7. Does the HMIS Lead conduct Privacy and Security Training and follow up on privacy and security standards on a regular basis?** Yes

**8. What is the CoC's policy and procedures for managing a breach of Personally Identifiable Information (PII) in HMIS?**

The Wisconsin HMIS Policies and Procedure Manual outlines in writing that it is the responsibility of the Designated Agency HMIS Contact (typically the Security Officer) or general user at Partner Agencies, to notify the HMIS Lead Agency when they suspect that a user or Partner Agency has violated any HMIS operational agreement, policy or procedure. A complaint about a potential violation must include the user and Partner Agency name and a description of the violation, including the date or timeframe of the suspected violation. Complaints should be sent in writing to the HMIS Lead Agency at [wihmis@icalliances.org](mailto:wihmis@icalliances.org). The name of the person making the complaint will not be released by the HMIS Lead Agency if the individual wishes to remain anonymous. Users must also report all unlawful access of HMIS and unlawful attempted access of HMIS, including theft of usernames and passwords, to the HMIS Lead Agency. The HMIS Lead Agency will use the HMIS auditing system to investigate and determine the extent of the breach of security. Breaches that result in the release or dissemination of PII from HMIS to the public will be reported to the HMIS Lead Agency cyber insurance provider to determine where liability exists and the appropriate remedies.

HMIS users and Partner Agencies must abide by all HMIS operational policies and procedures found in the HMIS Policies and Procedures manual, the HMIS User Agreement, and the Partner Agency Agreement. Repercussions for any violation will be assessed in a tiered manner. Each user or Partner Agency violation will face successive consequences – the violations do not need to be of the same type to be considered second or third violations. Violations do not expire; no regard is given to the duration of time that occurs between successive violations. The user will have their access suspended for a minimum of 30 days and will be required to complete training with the HMIS System Administrator. After the third violation the user will have their license terminated.

## 6A. Funding Request

### VAWA Budget

In FY2024, the Violence Against Women Act (VAWA) has clarified the use of CoC Program funds for VAWA eligible cost categories. These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in e-snaps and eLOCCS. The BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

A. VAWA Emergency Transfer Facilitation. Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor’s emergency transfer(s). Additional details of eligible costs include:

- Moving Costs. Assistance with reasonable moving costs to move survivors for an emergency transfer(s).
- Travel Costs. Assistance with reasonable travel costs for survivors and their families to travel for an emergency transfer(s). This may include travel costs to locations outside of your CoC’s geography.
- Security Deposits. Grant funds can be used to pay for security deposits of the safe unit the survivor is transferring to via an emergency transfer(s).
- Utilities. Grant funds can be used to pay for costs of establishing utility assistance in the safe unit the survivor is transferring to.
- Housing Fees. Grant funds can be used to pay fees associated with getting survivors into a safe unit via emergency transfer(s), including but not limited to application fees, broker fees, holding fees, trash fees, pet fees where the person believes they need their pet to be safe, etc.
- Case Management. Grant funds can be used to pay staff time necessary to assess, coordinate, and implement emergency transfer(s).
- Housing Navigation. Grant funds can be used to pay staff time necessary to identify safe units and facilitate moves into housing for survivors through emergency transfer(s).
- Technology to make an available unit safe. Grant funds can be used to pay for technology that the individual believes is needed to make the unit safe, including but not limited to doorbell cameras, security systems, phone, and internet service when necessary to support security systems for the unit, etc.

B. VAWA Confidentiality Requirements. Examples of eligible costs for ensuring compliance with VAWA confidentiality requirements include:

- Monitoring and evaluating compliance.
- Developing and implementing strategies for corrective actions and remedies to ensure compliance.
- Program evaluation of confidentiality policies, practices, and procedures.
- Training on compliance with VAWA confidentiality requirements.
- Reporting to CoC Collaborative Applicant, HUD, and other interested parties on compliance with VAWA confidentiality requirements.
- Costs for establishing methodology to protect survivor information.
- Staff time associated with maintaining adherence to VAWA confidentiality requirements.

Enter the estimated amount(s) you are requesting for this project’s Emergency Transfer Facilitation costs and VAWA Confidentiality Requirements costs for one or both of these eligible CoC VAWA cost categories. The CoC VAWA BLI Total amount can be expended for any eligible CoC VAWA cost identified above.

1. Will this project use funds from this grant to provide for emergency transfer facilitation, which includes the costs of assessing, coordinating, approving, denying and implementing a survivor’s emergency transfer per Section III.B.4.a.(3) (a) of the NOFO? No

2. Will this project use funds from this grant to provide for VAWA confidentiality requirements, which includes the costs of ensuring compliance with the VAWA confidentiality requirements per Section III.B.4.a.(3) (b) of the NOFO? No

**Rural Cost Budget**

In FY2024, the CoC Program has added eligible rural cost budget categories to be added in a new CoC Rural Cost Budget Line Item (BLI). The BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. There are three CoC Program rural cost categories that can be requested for your CoC Rural Cost BLI.

- Short-term emergency lodging to include housing in motels or shelters, either by providing direct funding or through vouchers.
- Repairs to housing units in where individuals and families experiencing homelessness will be housed, including housing units.
- Staff Training to include professional development, skill development, and staff retention activities.

3. Will this project use funds from this grant to provide for short-terms emergency lodging, repairs to housing units and staff training per Section III.B.4.b.(3) (a) of the NOFO? No

4. Does this project propose to allocate funds according to an indirect cost rate? No

5. Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited: 1 Year

6. Select the costs for which funding is requested:

HMIS	<input checked="" type="checkbox"/>
VAWA	<input checked="" type="checkbox"/>
Rural	<input type="checkbox"/>

**The VAWA BLI is permanently checked. This allows any project to shift funds up to a 10% shift from another BLI if VAWA emergency transfer costs are needed.**
