

PIT Data Due Dates

- First round of data due: Friday, February 17th, 2023
- Post PIT survey due: Friday, February 17th, 2023
- Unsheltered Letters: Friday, February 24th, 2023
 - These letters explain what services were offered for those who remained unsheltered and how you attempted to connect them to CE. The number of people in your letter should match the number of people on the Deduplication Chart and should be on agency letterhead.
- Second round of PIT data due: Friday, March 10th, 2023
- Third round of PIT data due: Friday, March 17th, 2023

System Navigators

All but 4 coalitions have hired staff.

As agencies are hiring, please send information to leigh.Polodna@wibos.org

We are starting our monthly System Navigator meetings

This is a space for just system navigators to connect with their peers and talk through questions, successes and challenges.

We completed our first Quarterly Performance Report (QPR)

Data from 10/1/22-12/31/22
People enrolled already in the project

Resources Created:

- System Navigator 101 Training
- System Navigator File Checklist
- System Navigator Policy and Procedures Manual
- System Navigator Task Checklist
- System Navigator Assessment

YHDP

- Continuous Quality Improvement (COI)
 - Series of trainings (both virtual and in person) in February to start working on the COI specifically for YHDP projects
 - Ryan Hall from ICF will be leading these trainings
