Jim Schroeder, CACSCW

On March 26, 2018, Jeanette emailed all members on the Jefferson County CoC email list to approve CAC as the lead agency for the 2018-2019 EHH Grant from the State of Wisconsin.

Because of the quick turnaround of votes needed for the certification, the poll only lasted a total of 6.5 hours. During that time, 23 Jefferson County CoC members responded, all in the affirmative for CAC being the lead. CAC is the only funded agency and they abstained from the vote.
