Midnight – 3 am

Team One

City of Oconto

- Include the following areas: Breakwater Park, City Docks, City Park, Copper Culture, Holtwood Park, Sharp Park, Bond Park, Van Hecke Underpass, County Y, County NN, Oconto Elementary School, Elm St, McDonald St, Brazeau Ave, Van Hecke Ave, Katch Drive, Evergreen Rd, Van Dyke St, Oconto Self Storage, Percy Ave, Madison St, Oconto Middle School, Superior Ave, Oconto High School, Bitters Ave, Park Ave, Bond Center, Main Street, Oconto Laundry Mat, Holtwood Campground, Bridge Street, Farnsworth Ave, Chicago St, Farnsworth Public Library
- Estimated Time - 3 hours
- 2 people (Carrie Zinda & co-worker)

Please list any “new” streets or areas that you went that are not listed above:

Explain how you decided NOT to go to every square mile of your assigned area. Detail your decision-making process, factors, and who was involved.

In the space provided, indicate the specific areas **you did not go** (i.e. names of campgrounds, lakes, resort villages, other locations).

Did you have any observation only during the overnight street/known location count?

Describe the process you used to determine whether those observations would be counted toward the unsheltered count?

Who made the ultimate decision to include or not include the observed person(s)?

Do you have any additional feedback on the observation-based on professional experience process for future counts?

In what areas would you like to see more training? Examples can include: the overnight count process, the homeless connect activities, training staff and volunteers, data collection, etc.
