**3,438 (59%)** were from the Balance of State CoC

**132** were unsheltered

HMIS data was provided by the Institute for Community Alliances, [www.icalliances.org](http://www.icalliances.org).

## SOLUTIONS

Remove statutory language hindering local control of state funds, and instead base funding on need and performance.

Authorize WHEDA and encourage Public Housing Authorities to prioritize vouchers for people experiencing homelessness.

Increase funding for case management services.

*Case management provides coordinated services that are far more effective at addressing both surface needs and the underlying causes of homelessness.*

Overall support for Governor Walker's proposed budget providing new resources to end homelessness.

# North Central CoC

This local homeless coalition includes Lincoln, Marathon, and Wood counties. According to the US Census Bureau (2015), the estimated population is 237,283 with 22% under the age of 18.
