

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

Things to Remember:

- Additional training resources can be found on the HUD.gov at [https://www.hud.gov/program\\_offices/comm\\_planning/coc](https://www.hud.gov/program_offices/comm_planning/coc).
- Questions regarding the FY 2024 CoC Program Competition process must be submitted to [CoCNOFO@hud.gov](mailto:CoCNOFO@hud.gov).
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to [e-snaps@hud.gov](mailto:e-snaps@hud.gov).
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2024 Continuum of Care (CoC) Program Competition. For more information see FY 2024 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2024 CoC Program NOFO.
- Detailed instructions and e-snaps navigation guides can be found on the hud.gov website [https://www.hud.gov/program\\_offices/comm\\_planning/coc/competition](https://www.hud.gov/program_offices/comm_planning/coc/competition). The Detailed Instructions contain more comprehensive instructions and so should be used in tandem with the navigational guides.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2023 Project Application will be imported into the FY 2024 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- YHDP projects that are eligible for renewal under the CoC program may only use the YHDP Renewal or YHDP Replacement and Reallocation funding opportunities. Please review the NOFO for eligibility standards.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2024 CoC Program Competition NOFO.

## Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

The data from previously submitted new and renewal project applications can be imported into a FY 2024 renewal project application. The “Submit without Changes” process is not applicable for first time renewing project applications or for a project application that did not import FY 2023 information and e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

Renewal projects that select “Yes - Individual Application in a Renewal Grant Consolidation” on the Renewal Grant Consolidation or Renewal Grant Expansion Screen may not use the “Submit Without Changes” process and esnaps will automatically be set to “Make Changes”. In addition, esnaps will automatically be set to “Make Changes” if the project applicant indicates on the Renewal Grant Consolidation or Renewal Grant Expansion Screen, this project application is for a “Yes - Stand-Alone Renewal Application in a New Grant Expansion” project application.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6A. Funding Request
- Screen 6D. Sources of Match
- Screen 6E. Summary Budget - All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2023 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click “Save” and those screens will be available for edit. Once a project applicant selects a checkbox and clicks “Save”, the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions and e-snaps navigation guides found on HUD.gov to find more in depth information about applying under the FY 2024 CoC Competition.

## Recipient Performance

1. Did you submit your previous year's Annual Performance Report (APR) on time? No

1a. If you did not submit your APR on time to the SAGE website, provide an explanation.

Grant just Starting

2. Do you have any unresolved HUD Monitoring or OIG Audit finding(s) concerning any previous grant term related to this renewal project request? No

3. Do you draw funds quarterly for your current renewal project? No

3a. If no was selected, explain why CoC Program funds are not drawn quarterly.

Grant just starting

4. Have any funds remained available for recapture by HUD for the most recently expired grant term related to this renewal project request? No

## Renewal Grant Consolidation or Renewal Grant Expansion

The CoC Competition will continue offering opportunities to expand or consolidate CoC projects.

1. Expansions and Consolidations will no longer be required to submit a combined version of the application.

a. Expansions will be required to ONLY submit a Stand-Alone Renewal and a Stand-Alone New application.

b. Consolidations will be required to ONLY submit a Survivor grant and a terminating grant. Up to 10 grants may be involved in a consolidation (Survivor + 9 Terminating grants)

2. Since no combined version will be submitted for either the Expansion or Consolidation, the combining of data will occur at Post-Award. HUD HQ will combine all units, beds and budgets prior to the Post-Award process. The field office and applicant will then be required to combine remaining project data at C1.9a (recipient step). HUD HQ will provide a data report with the data all combined. All that will be required for applicants to do is a simple copy and paste.

We hope this process will simplify and reduce any confusion when submitting expansions or consolidations. If you have any questions, please contact the AAQ.

**1. Is this renewal project application requesting to consolidate or expand? No**

If "No" click on "Next" or "Save & Next" below to move to the next screen.

### **3B. Project Description**

**1. Provide a description that addresses the entire scope of the proposed project.**

The program will follow a Housing First model & enroll chronically homeless participants without preconditions. Case managers will utilize a harm reduction approach to best help participants maintain housing. All case managers have been trained in trauma informed care and informational interviewing.

Case managers or the housing navigator will help participants find suitable housing by locating units near community amenities, ensuring rents meet FMR and Rent Reasonableness standards, & ensuring units meet HQS. Case managers negotiate with landlords to include utilities in the rent. For units that do not include utilities in the rent, SA will pay the utility company directly. If a utility deposit is required, the CM will attempt to locate funding through other agencies & help secure that funding. If unable to do so, The Salvation Army will pay the deposit. We will assist all clients to apply for energy assistance. We will hold the lease on the unit & pay the full rent to the landlord. Participants sublease the unit from us. If a landlord wants a participant out of the unit, we will attempt to negotiate with the landlord to resolve any issues that have occurred. If the attempt to negotiate with the landlord fails, we will assist the client to secure a new unit and assistance with moving costs. This allows the participant to avoid eviction and saves the landlord time and money.

The case manager will help participants identify goals to move toward housing stability. The plan will be individualized to each household's specific needs & preferences. Case Managers will meet with participants weekly and assist in stabilization of housing, mental health, sobriety, parenting and employment as requested. Services like parent education and employment stability will be referred to appropriate agencies that provide these services. Case Managers will connect participants to all appropriate mainstream resources & assist them in maintaining eligibility throughout PSH. If needed case manager can assist participants with life skills, food costs, & transportation. If individuals are not receiving Social Security our SOAR program advocate will meet with the client to assist with the SSI/SSDI applications. This service may include writing and submitting the application, helping secure required documents, providing transportation to required appointments.

Referrals are made to community agencies for childcare assistance, education services, mental health services (including DV counseling), legal services, outpatient health services, & AODA services. We work with Homeless liaisons to ensure children are enrolled in school within 24 hours of move in.

#### 100% Dedicated or DedicatedPLUS

**A "100% Dedicated" project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families.**

**A "DedicatedPLUS" project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria:**

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds were dedicated to individuals and families experiencing chronic homelessness under the grant that is being renewed may either be reallocated as a DedicatedPLUS project or may continue as a renewal dedicating 100 percent of its beds to individuals and families experiencing chronic homelessness. If the project is reallocated as a DedicatedPLUS project, the project must adhere to all fair housing requirements at 24 CFR 578.93.

1. Is this project "100% Dedicated," "DedicatedPLUS," or "N/A"? 100% Dedicated  
(Only select "N/A" if this project was originally awarded as a grant that did not have requirements to only serve persons experiencing chronic homelessness and meets the definition of "non-dedicated permanent supportive housing beds" in the NOFO Section III.B.2.r).

## 6A. Funding Request

### VAWA Budget

In FY2024, the Violence Against Women Act (VAWA) has clarified the use of CoC Program funds for VAWA eligible cost categories. These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in e-snaps and eLOCCS. The BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

A. VAWA Emergency Transfer Facilitation. Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor's emergency transfer(s). Additional details of eligible costs include:

- Moving Costs. Assistance with reasonable moving costs to move survivors for an emergency transfer(s).
- Travel Costs. Assistance with reasonable travel costs for survivors and their families to travel for an emergency transfer(s). This may include travel costs to locations outside of your CoC's geography.
- Security Deposits. Grant funds can be used to pay for security deposits of the safe unit the survivor is transferring to via an emergency transfer(s).
- Utilities. Grant funds can be used to pay for costs of establishing utility assistance in the safe unit the survivor is transferring to.
- Housing Fees. Grant funds can be used to pay fees associated with getting survivors into a safe unit via emergency transfer(s), including but not limited to application fees, broker fees, holding fees, trash fees, pet fees where the person believes they need their pet to be safe, etc.
- Case Management. Grant funds can be used to pay staff time necessary to assess, coordinate, and implement emergency transfer(s).
- Housing Navigation. Grant funds can be used to pay staff time necessary to identify safe units and facilitate moves into housing for survivors through emergency transfer(s).
- Technology to make an available unit safe. Grant funds can be used to pay for technology that the individual believes is needed to make the unit safe, including but not limited to doorbell cameras, security systems, phone, and internet service when necessary to support security systems for the unit, etc.

B. VAWA Confidentiality Requirements. Examples of eligible costs for ensuring compliance with VAWA confidentiality requirements include:

- Monitoring and evaluating compliance.
- Developing and implementing strategies for corrective actions and remedies to ensure compliance.
- Program evaluation of confidentiality policies, practices, and procedures.
- Training on compliance with VAWA confidentiality requirements.
- Reporting to CoC Collaborative Applicant, HUD, and other interested parties on compliance with VAWA confidentiality requirements.
- Costs for establishing methodology to protect survivor information.
- Staff time associated with maintaining adherence to VAWA confidentiality requirements.

Enter the estimated amount(s) you are requesting for this project's Emergency Transfer Facilitation costs and VAWA Confidentiality Requirements costs for one or both of these eligible CoC VAWA cost categories. The CoC VAWA BLI Total amount can be expended for any eligible CoC VAWA cost identified above.

**1. Will this project use funds from this grant to provide for emergency transfer facilitation, which includes the costs of assessing, coordinating, approving, denying and implementing a survivor’s emergency transfer per Section III.B.4.a.(3) (a) of the NOFO?** No

**2. Will this project use funds from this grant to provide for VAWA confidentiality requirements, which includes the costs of ensuring compliance with the VAWA confidentiality requirements per Section III.B.4.a.(3) (b) of the NOFO?** No

**Rural Cost Budget**

In FY2024, the CoC Program has added eligible rural cost budget categories to be added in a new CoC Rural Cost Budget Line Item (BLI). The BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. There are three CoC Program rural cost categories that can be requested for your CoC Rural Cost BLI.

- Short-term emergency lodging to include housing in motels or shelters, either by providing direct funding or through vouchers.
- Repairs to housing units in where individuals and families experiencing homelessness will be housed, including housing units.
- Staff Training to include professional development, skill development, and staff retention activities.

**3. Will this project use funds from this grant to provide for short-terms emergency lodging, repairs to housing units and staff training per Section III.B.4.b.(3) (a) of the NOFO?** Yes

**4. Does this project propose to allocate funds according to an indirect cost rate?** No

**5. Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited:** 1 Year

**6. Select the costs for which funding is requested:**

Rental Assistance	<input type="checkbox"/>

<b>Supportive Services</b>	X
<b>Operating</b>	X
<b>HMIS</b>	X
