## Sub-recipient Monitoring

COC grants: RRH DV, SSO CE, SSO CE DV, SSO CE YHDP, YHDP SN

State grant: HAP (WI DEHCR)

- Completed through desk, onsite or hybrid

**\*If your agency is a sub-recipient of WIBOS for one of these grants and you have not heard from us yet, we will be in contact soon to schedule monitoring.**

## Marching to Zero & Grant Spend down

Grant Specialists have been working with sub-recipients and putting systems in place to spend down grants!

- Kate and Sara are focusing on RRH DV and HAP grants
- Molly and Erika are working with YHDP SN and SSO CE grants

If you have not heard from the team yet, you will be contacted soon!

### Match

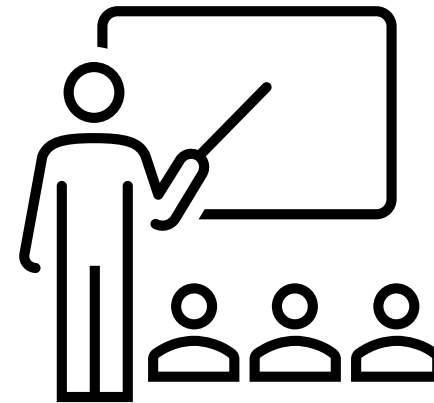

Agencies are encouraged to submit additional match, if possible, to help other agencies who will spend their full allocation take on more funding that another agency was not able to spend.

Please remember that all agencies committed to provide full match and even if they don't spend out their full award, it would be extremely helpful if they could continue to contribute.
