4. Update on Robin & Holly meeting with Missouri BOS – Veterans Committee- To see how they are doing their veterans committee, and what they do. They are doing some case conferencing in conjunction to their veterans committee meeting. Rural has a case conferencing and the urban do a different case conferencing.
5. **Sub-committee's updates:**
  - a. By Name List (BNL) – Jeremy Schmidt
    1. 104 veterans within the BOS 15-20 % need to have the VISPAT completed. Unsure length of time homeless. Case notes are being put in; shelters are putting the stays. 102 in May so it is ever changing. 8-10% have a status of veteran.
  - b. Landlord Engagement
    - i. Jefferson Co still has a website with landlords on it – getting organized again to get back on track. New landlord in the Jefferson area.
6. **Membership/member paperwork –**

Was sent out in summer and need to get it back, if you are a member or a participant. The information will be sent out one more time per request. Member needs to sing responsibility & commit portion and no more than 4 unexcused absences in a calendar year.
7. **Where does this group want to go-**

Discussion, CVSO felt the usefulness of participating in a meeting like this is networking, sharing information to assist veterans. Shallow subsidy program information shared by Jeremy.  
The invitation list consists of 38 people – ICA staff – veteran providers.  
BOS goal is to end veteran hopelessness – there are benchmarks to reach that goal.  
Discussed what would make this meeting more productive.
8. **Tomah/Iron Mountain VA Case Conference –** Discussion of how to get it started. Get it on the calendar. Discussed who all have case conferencing (areas)
9. Next Meeting: 10/17/2023 at 11:00am
