

Welcome to the new WIBOSCOC Message Board!

We are utilizing MOMO BOARD: a free message board app. It is located at <https://momoboard.com/wiboscoc> or you may scan the QR code to the right. It is free to sign up for an account. There is also an app you may download for easy access on your cellphone.

Each committee has a sub-board where updates and questions can be posted.

You may: Post with files and media; Post to multiple boards at once; Attach files from Dropbox, Box, Google Drive, and iCloud; Search boards, posts, members and even chat conversation; Retrieve posts by searching keywords in the post title, description or attached file name.

To ensure that forums are a positive online environment, the WIBOSCOC has developed a code of conduct for the benefit of all users:

- Do not post unauthorized personal information (names, address, phone number, email etc.). Make sure you respect the confidentiality of others and do not disclose any non-public information or personal information without consent.
- You are responsible for the content you post. This includes information, text, photos, messages etc. If you didn't create the content that you post, it is your responsibility to ensure you have the necessary consents.
- Respect other users. Set the tone for online conversations by being polite, open and respectful. It is not expected that you will agree with other users at all times but it is expected that you write your comments in a respectful way. Any abusive, offensive or inflammatory posts or any comments which personally attack any individual will not be tolerated and will be removed.
- Be responsive and participate. Make an effort to share what you know and to interact with your peers. The WIBOSCOC encourages you to actively participate, pose questions and help each other.

Posts or other material which is deemed inappropriate by the WIBOSCOC will be deleted upon discovery.
