Thursday, November 11th

9:00 **Vivent Health: Who We Are and What We Do**
Becky Rowland and Corin Tubridy

Vivent Health is a nationally recognized leader in the fight against HIV/AIDS. Vivent Health is best known for its high-quality HIV patient outcomes and operates the only HIV Medical Home in America recognized by the Centers for Medicare and Medicaid Services. Vivent Health is also a leading provider of innovative and aggressive prevention services that help at-risk individuals remain HIV negative. Vivent Health operates in 17 locations in Colorado, Missouri, Texas, and Wisconsin, and serves more than 10,000 patients annually.

9:45 **Creating an LGBTQIA+ Inclusive Agency for Clients and Staff**
Becky Rowland and Corin Tubridy

LGBTQIA (Lesbian, Gay, Bisexual, Transgender, Queer, Intersex, Asexual) inclusion is more than the basic decency of protecting clients and staff from discrimination and harassment. It's about creating an environment that welcomes, includes, and learns from diverse perspectives.

1:00 **Pronouns and Why They Matter**
Becky Rowland

Using someone's correct personal pronouns is a way to respect them and create an inclusive environment. Often people make assumptions about the gender of another person based on the person's appearance or name. These assumptions send a potentially harmful message – that people must look a certain way to demonstrate the gender that they are or are not.

Speaker Bios

Becky Rowland, MPH, MBA is currently the Wisconsin Director of Case Management, Insurance, and Housing Services at Vivent Health; the nation’s only HIV Medical Home. Becky’s life’s work is in public health, where she adopts a relational approach in her practice. She has spent the entirety of her career working with homeless, adolescent, HIV+, and LGBTQ+ populations. Building strong relationships with clients, and now among teams, she is deeply committed to supporting both clients and staff to live their best lives, while mindfully stewarding resources.

Originally from Chicago, Becky currently lives in Cedarburg, Wisconsin. Becky continues to volunteer in her Chicago community, serving on the board of directors at Howard Brown Health, the Midwest’s largest LGBTQ+ health center, for the last 8 years. She is married to her best friend, loves sewing, reading, gardening, her enormous extended family, and getting her butt kicked in all games by her kiddos—Wynn (age 8) and Calla (age 7).

Corin Tubridy, MSW, is a Case Manager Supervisor at Vivent Health, supervising staff in Eau Claire, Superior, Wausau, and Green Bay. Prior to her role at Vivent Health she spent 15 years working in homeless services. Her passion is creating and supporting trauma-informed programs and teams. Corin lives in Eau Claire, Wisconsin with her wife, two sons, two cats, and a “quarantine dog.”
